INSURANCE OFFICES

Highly Important to Farmers.
The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,
Located at Madison, Wisconsin,
THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock &c, from one to five years at lower rates than most other responsible Companies
All losses promptly paid at the office as soon as proof is made thereof
We believe it to be for the interest of the farmers to insure by themselves their property being less hazardous than any other, consequently you will have less losses, and your own of the same class, and all will be on an equal footing
Experience has shown that two thirds if not three fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property In this company all such property is rejected consequently by [illegible] alone
Farmers, look to your own interest, and insure in a Farmers' Company
We have been doing business a little over three years and we have not been obliged to assess our premium notes and for the last *fourteen months we have not had a single dollar loss*, though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance

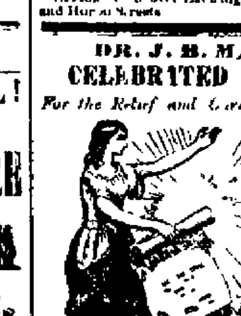
DR. J. B. MARCHISI'S
CELEBRATED CATHOLICON,
For the Relief and Cure of Suffering Females



IT STANDS PRE-eminent for its curative powers in all the diseases for which it is recommended, usually called
Female Complaints
Of these are Prolapsus, or Falling of the Womb, Fluor Albus, or Whites, Chronic Inflammation and Ulceration of the Womb, Incidental Hemorrhage, or Flooding, Painful, Suppressed and Irregular Menstruation, &c, with all its accompanying evils (Cancer excepted) no matter how severe or how long standing
The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition
I have no hesitation in saying Dr Marchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhoea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri It is worthy of the notice of the Faculty
JOHN C. ORRICK, M. D.,

Truly Yours
WM. LAIRD HAZLETT, M. D.,
July 6th, 1854 New Philadelphia, Ohio
I must say, from my own experience and personal observation in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregularities of menstruation, and diseases or irritation of the female organs.
D. Y. FOOTE, M. D.,
Syracuse, N. Y.
Those needing such a remedy should inform themselves of the merits of this medicine, by calling at the store of the undersigned and obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use, together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observation

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, Feb. 21.

I sent you to-day the list of bills passed in the Senate. None were passed in the House, the whole morning, after the first three orders, being spent upon the special order—*the Temperance Bill*—or, as it has been called hitherto, the prohibitory liquor law. As this subject engrosses all interest at the present time, I shall confine this letter mostly to it.

The bills introduced in Assembly were as follows:

By Mr. Bennett, authorizing T. W. Baker and others to build a dam.

By Mr. Rose, charter of Wildwood Cemetery Association.

By Mr. Davis, charter of Mineral Point and Newport R. R. Co.

By Mr. Moscowitz, for a state road.

By Mr. Rose; charter of Madison, Fond du Lac & Lake Michigan R. R. Co.

Reports of the Committees were concluded, when Mr. Colley moved to take up bill No. 218, "For the suppression of intemperance in the State of Wisconsin," being the special order for this day. The motion carried, and on motion of Mr. Field, the Assembly went into committee of the whole on the bill, Mr. Cross in the Chair.

Copies of the bill, printed, had been distributed, but some of the members had received more than their share, and the copies were scarce. On this account, Mr. Hull moved that the committee rise. Lost, 29 to 32, on a division.

The 1st section was read. P. H. Smith moved to strike out the clauses which provide against "giving away" intoxicating liquors. Mr. Welch opposed the motion. He said that the committees of the Senate and House had acted in concert, and prepared the best bill they could.—He hoped that the friends of the bill were prepared to vote it through, unless some important amendments were necessary in order to perfect it. The amendment was *lost*.

Mr. Hull moved to strike out the exception in favor of physicians, &c., stating that as the bill stood, it was nonsense, or bad English. He should do all that he could against the bill. He supposed that the programme was already arranged, and that this House is called upon to vote as a matter of form only. He supposed that his amendment couldn't pass, but he should take such course as he pleased in opposition.

Messrs. W. Grant and Virgin opposed the amendment.

Mr. Stevens moved to rise and report the bill back, tabling it for one week. Lost 30 to 38.

Mr. Hull's amendment was lost.

Mr. Randall moved to amend by the insertion of a clause specifying that the "*giving away*" of liquors is "for the purpose of evading the law;" carried, 30 to 36.

Mr. O'Neill moved to strike out a clause in the section which excepts liquors protected by any law of the U. S., and Mr. Hull spoke in favor, saying that while the State was telling Uncle Sam that *one* of his laws has no force here, we might as well repudiate *all* of them. The amendment was *lost*.

Mr. Hull moved to strike out the whole section; *lost*.

Section 2 was read.

Mr. Hull moved to strike out the words "pure and unadulterated," describing the kind of liquors to be sold by the agents; on the ground that the section provides that the agent shall *not* use liquor himself, and therefore cannot be a judge of it. *Lost*.

Mr. P. H. Smith moved to strike out the word "*not*." *Lost*.

Mr. Moscowitz moved to strike out the clause allowing the sale for sacramental purposes—*lost*.

Mr. Gunn moved to amend by compelling the applicant for a permit to give bonds, the section leaving it discretionary with him. *Lost*, it being being shown by Mr. Ebbetts that this was otherwise provided for.

Section 3 was read.

Mr. Ebbetts moved to amend by providing that a copy of charges should be served upon the agent before he is removed for malfeasance—*Lost*.

Sec 4 was read.

Mr. Hull moved to strike out the clause providing that the person to whom liquor is sold by the agent shall be a person "of good character for sobriety;"—*lost*.

Mr. P. H. Smith moved to strike out all the words restricting the agent as to the persons to whom he sells—*lost*.

Mr. Gary moved to amend by striking out a clause preventing liquors sold by the agent from being used on the premises. He said that in cases of sudden illness, it might be necessary to administer the medicine on the spot. As Mr. Gary is a friend of the bill, the amendment would probably have carried, if some of its enemies had not cracked their jokes upon the numerous cases of illness likely to arise. As it was, the amendment was *lost*.

Sec. 5 was read.

Mr. P. H. Smith moved to rise and refer the bill to the Committee on Charitable Institutions for explanation—*lost*.

Mr. Ebbetts moved a verbal amendment—*lost*.

Mr. Hull moved to insert words making it a portion of the penalty for offences that the offender shall be ever afterwards disqualified from *using* liquor—*Lost*.

Mr. Rose moved an amendment, providing for punishing for perjury any agent who shall falsely swear that he does not use liquor. He said that he was instructed to vote for a prohibitory law, and desired to get as efficient a law as possible. The amendment was *carried*.

Mr. Ebbetts moved to amend so that offenders shall be imprisoned one day for every $2,50 of the fine, instead of for every $1,00; he thought that if members should violate the law, it was hardly fair to take more than their *per diem*.—Mr. Earnest moved that the members rise and go and take their last drink! Mr. Gunn said that the friends of the bill were not likely to be troubled with the penalties of the act.

Mr. Ebbetts thought that the gentleman's name indicated that he might be *cocked* as soon as any one.

Mr. Schrage sent up an amendment which had been handed to him, providing that the tresses of boys and girls should be trimmed by the town barber to a specified length. *Lost*.

Section 6 was read.

Mr. Hull moved to strike out the last clause of the section. *Lost*.

Mr. Rose moved to amend, specifying more particularly as to the offences which are to be deemed "second" and "third" and "subsequent" offences—*carried*.

Mr. Randall moved to strike out all of the first part of the section, which gives Justices of the Peace jurisdiction over cases under the law, and to insert a sentence giving cognizance of the several offences, perjury &c., to the Courts having jurisdiction. *Carried*.

Section 7 was read.

Mr. Hull moved to strike out the whole section. *Lost*. (It provides for the search, seizure and destruction of liquors.)

Mr White moved an amendment providing that the person who complains to the magistrate should swear that he *knows* (instead of *believes*) that liquors are concealed. *Lost*.

Section 8 was read, and no amendment offered.

Section 9, (form of complaint, examination of witnesses, and arrest of accused,) was read.

Sundry verbal amendments were made.

Mr. P. H. Smith moved sundry amendments requiring the complaints as to violations of the law to be made on oath, and these, after some discussion, were carried 36 to 32. Mr. Hull spoke at length against the bill.

Mr. Stevens moved that the committee rise.—*Lost*.

Mr. Rose moved to amend, that the complaints might be made on oath of the belief of the complainant. *Carried*.

Mr. Abbot moved to amend by authorizing affirmations instead of oaths. *Carried*.

Section 10 was read.

Mr. Bennet moved to add a clause exempting lager-beer, in quantities of 15 gallons and over.

Mr. P H Smith moved to make the quantity [illegible] gallons—carried 27 to 25.

Mr. Hull moved to except beer, Schiedam Schnapps, and old A brandy—*lost*.

Mr. O'Neill moved to except Irish whiskey, and Scotch ale—*lost*.

Mr. Bennets' amendment, as amended, was then *lost*, 22 to 32.

Mr. O'Neill moved that the committee rise—*lost*.

Sec 11 was read.

Mr. Hull moved to strike out the clause providing that no licenses shall be granted after the passage of this act. Mr. Welch opposed the motion, on the ground that licenses would be granted all over the State before the first of June next, the time for the law to go into effect—*lost*.

Mr. O'Neill moved a proviso that old licenses should not be affected—*lost*.

Sec 12 was read.

Mr. Vilas moved a section submitting the law to the people at the fall election. *Lost* 30 to 37.

Mr. O'Neill moved to amend so as to have the law go into effect in 1856—*lost*.

Mr. Rose moved to amend, so that the present license law shall be repealed on the publication of this act—carried.

Mr. Van Nostrand moved to amend by excepting native wine: He said that several kinds of this wine were found useful for physicians, and ought to be excepted. Mr. White moved to except cider. Both *lost*.

The whole bill having been gone through, Mr. Sholes moved an alteration of the arrangement of of the first section—carried.

Mr. Gary said that as the bill needs further examination and amendment, he moved that the Committee of the whole rise and ask leave to sit again on the bill. Carried, and leave granted.

Mr. Stevens moved to postpone the subject for two weeks—*lost*.

Mr. Bennet moved to suspend the rules to pass two bills which he reported from the Committee on claims, relative to pay of officers. Mr. Allen moved to refer the bills to the Committee on Legislative Expenses—*carried*.

Mr. Ruan offered a resolution that "when the House adjourns, it adjourns to Friday to give opportunity for celebrating Washington's birthday, and that the *per diem* be given to the Washington Monument." Pending this, Mr. Bennet moved to *adjourn*, which was carried, 34 to 25, and the Assembly adjourned.

The above, you will see, indicates the passage of the Temperance Bill in the Assembly, and it is thought certain it will pass the Senate. So the sanguine friends of the bill think. Throughout the morning, members seemed to vote according to the opinions expressed by their constituents, for or against the bill. W. H. W.

Madison, Feb. 20, 1855.

Gentlemen:—Your communication, requesting me to become a candidate for re-election to the office which I now occupy, is before me.

This voluntary expression of the confidence and esteem of so many of my profesional brethren, is not only peculiarly gratifying to me, but induces me to believe that my efforts to discharge the duties of the station to which the electors of Wisconsin promoted me, have been favorably looked upon by those who have had opportunity to form an opinion upon them.

A proper discharge of the duties of a Judge of the Court of last resort of the State, is of the utmost importance to the people of the State, and I assure you, gentlemen, that if any evidence were presented to me that my brethren at the Bar desired a change in the occupant of my place, I would not permit my personal interests, or feelings to thwart their wishes.

I need only say, that encouraged by your favor and the former preference of the electors of the State I willingly accede to your request.

I am, gentlemen,
Very respectfully,
Your obedient servant,
Samuel Crawford.

To Messrs. Harlow S. Orton, A. R. R. Butler, I. J. Talmadge, G. C. Prentiss, S. O. Paine, M. H. Carpenter, J. J. Enos, N. B. Boyden, and others.

Resumption of Page & Bacon.—This well-known St. Louis firm resumed busines on Monday last. The St. Louis papers of that and previous dates contain the following notice in regard to this event:

Card to the Public.

Office Page & Bacon, }
St Louis, Feb. 17th 1855. }

We are happy to announce that our arrangements for the re-opening of our House are now complete, and that on *Monday Morning, Feb. 19th*, we shall resume the regular business of our office.

In making this announcement, we should do injustice to our deep sense of obligation, did we not embrace the opportunity it affords, of bearing public testimony to the kind consideration and generous sympathy so uniformly extended to us since the issue of our card of 12th January. We are not insensible to either the fact or its significance, that, during the entire term of our suspension, we have been annoyed by no manifestation of uneasy solicitude or disaffection on the part of our friends; but have rather been cheered and encouraged by their many proofs of unabated confidence. We have no disposition, at the present time, to recur to the immediate cause of our misfortune. The principal facts have already been laid before the public, in the journals of New York and St. Louis; and we are content that the same public, without further statement or comment on our part, should pronounce upon their character. PAGE & BACON.

Notice.—All drafts drawn by our house on Duncan, Sherman & Co, will be paid by the "Bank of America," New York; those drawn on Boston, Philadelphia, and Baltimore, will be paid either by by us or by our respective correspondents on whom they are drawn, with interest and cost of protest. Page & Bacon.

Rail Roads.—It gives us great pleasure to hear that the bill extending the Milwaukee & Mississippi R. R. from Janesville to the Mississippi has passed. This relieves us of the deadly incubus of Monk's Hall, an influence that has kept back this great work two years. This opens the prospect of its immediate commencement.—[Janesville Standard.

THE WAR.

We find the following description of the Russian New Year's Day sortie in the correspondence of The London *Times*:

January 13.—Last night the wind changed round to the southward, and the thermometer rose to 34°. A speedy thaw followed, and the roads and camp will once more suffer from the ravages of our old enemy—the mud. The Russians, who had lighted great watchfires on the north side of the place, illuminated the heights over the Chernaya with rows of lights, which shone brilliantly through the darkness of the cold winter's night, and were evidently, with all possible pomp and ostentation, celebrating the opening of their peculiar new year. Lights shone from the windows of the public buildings; and our lonely sentries in the valleys and ravines, and the *enfans perdus*—the French sharpshooters lying in their lairs, with watchful eye on every embrasure before them—might almost fancy that the inhabitants and garrison of the beleaguered city were tantalizing them with the aspect of their gaiety. At midnight all the chapel-bells of the city began ringing, and it was evident that a religious ceremony of extraordinary solemnity was about to take place. On our side the sentries and pickets were warned to be on the alert, and the advanced posts were strengthened whenever it was practicable.

About a quarter past 1 o'clock this morning the Russians inside the line of works gave a loud cheer. The French replied by opening fire, and the Russians, in return, instantly begun one of the fiercest cannonades along the front of their position which we have yet heard. It reminded one of those tremendous salvoes of artillery which the enemy delivered on two or three occasions before we opened our batteries last October. The earthworks flashed forth uninterrupted floods of flame, which broke through the smoke as lightning through the thunder-cloud, and revealed distinctly the outlines of the buildings in the town, and the lines of defences swarming with men. The roaring of shot, the screaming and hissing of heavy shell and the whistling of carcasses filled up the intervals between the deafening roll of cannon, which was as rapid and unbroken as quick file-firing. The iron storm passed over our lines uninterruptedly for more than half an hour, and the French, whose works to our left are less protected by the ground than ours are, had to shelter themselves closely in the trenches, and could barely reply to the massive volleys which ploughed up the parapets of their works, but their *enfans perdus* never lost an opportunity of sending their balls into the embrasures. In the meantime, while the firing was going on, a strong body of men had been pushed out of the town up the face of the hill towards our works in front and on the flank of the left attack. As it was expected that some attempt of the kind would be made, one of the steadiest sergeants in the service was posted here with twelve men.—Every reliance was placed on his vigilance and on his strict attention to his duties, but, somehow or other, the enemy crept upon the little party, surprised, and took them prisoners, and then advanced on the covering parties with such rapidity and suddenness that the parties of the Sixty—th, and of the Twenty—st Regiments, which were on duty in the trenches, were obliged to retire almost without firing a shot. They rallied however, and fired, and, being supported by the regiments in rear, they advanced, and the Russians were driven back close to the town.

In this little affair one officer and nine men were severely wounded, six men, were killed and 14 men are now missing. The French had to resist a strong sortie nearly the same time, and for a short time the Russians were within the parapet of one their mortar batteries, and spiked, it is said, two or three mortars with wooden plugs, but the French soon drove them back with loss, and in the pursuit got inside the lines of the Russian's advanced batteries. The soldiers, indeed, say they could have taken the place that night, if they had been permitted to do so. At two o'clock this morning all was silent once more, and the allied armies had opened their new Russian year on the Crimean soil.

A letter published in the *Journal de Constantinople*, of the 18th ult., contains the following account of the conduct of the siege:

"The walls of the town have large breaches in them, through which our volunteer sharp-shooters penetrate, to see what is going on in the faubourgs. These peregrinations are not always unattended with danger, and our bold marauders exchange more shots than words with the Russians whom they meet. The other day, 20 of them, who had ventured into the faubourg, were attacked by a hundred Russians. The struggle was a fierce one. The little band cut their way through them, but with a loss of 12 killed. The other eight reached the camp in safety, after killing a great number of the enemy.

"Not a day passes without a brush somewhere with the enemy. The Russians increase the number of their sorties, which become monotonous. It is always the same thing over again. However in the night between the 7th and 8th we were aroused by brisker firing than usual. A strong Russian column had attacked our trenches. It was vigorously repulsed by the 46th of the line, on duty in the trenches, who followed the Russians into their intrenchments, killing a great number of them. On the day following this affair, in which our soldiers gave proof of great bravery, Gen. Canrobert published an order of the day in which, after praising the bravery of the troops, he conferred the Cross of the Legion of Honor upon the Under-Lieutenant commissioned officers and soldiers who particularly distinguished themselves."

The *Independance Belge* publishes a Constantinople letter, which, under date of the 18th, states that the works of the besiegers, even those of the English, were completely finished. The allies would, however, await a more propitious opportunity and the arrival of the Turks before the assault was made, and in the meantime, limit themselves to silencing the fire of the place when it was too lively.

A Solitary Rail Road Ride.—A correspondent of the Racine *Advocate*, writing from Waupun, relates the following:

In returning to this place, I took the cars of the Valley Road, and after stopping a few times to nail down the snake-heads of the strap-iron which forms a part of the rails, I reached the depot near this place in about an hour, and came up this village in half an hour more. Your correspondent was the only passenger down and whether from the overtasked energies of the engine and the road on this occasion, or some other cause, the engine and cars immediately stopped running, and have not ventured out since. This trip down must have cost *somebody* about $25, for which they exacted of me but fifty cents.—The road is to be sold (ostensibly) under the hammer next month, but it will be seen that it is another, and probably the last attempt to revive its credit, and place it upon a permanent footing.

Tremendous Snow Storm.—On last Sunday night snow commenced falling, and continued to fall during yesterday and last night incessantly. The snow is now three feet deep on the level. The oldest inhabitants are unanimous in the expression that this is the greatest snow-storm they have ever witnessed in Wisconsin. No mail has arrived from any quarter, this week, although two are now due, and therefore, we are unable to give any news in this issue.—[Waupaca Spirit, Feb. 13.

Grand River Plaster.—During the excellent sleighing for several weeks past, a heavy business has been done at Grand Rapids in this great staple of the Grand River valley. The average sales to teams has been from 100 to 150 tons per day. This article alone, will half support a railroad to the Rapids. In one day last week 350 teams passed the toll-gate on the Kalamazoo and Grand Rapids plank road.—[Detroit Advertiser.

The Stabbing Case.—Our sympathising friends of the *Wisconsin* and *Argus* are making themselves very miserable over the idea that we have been stabbing Senators Bashford and Harvey. It affords us pleasure to state that they are laboring under a misapprehension. Both of those gentlemen were in their seats yesterday just as if nothing had happened; and were heard to reply to the interrogatory of a disinterested and alarmed member of "the balance" that they were not the individuals "stabbed."—[Madison Journal.

Submitting to the Law Gracefully.—We notice, says the Cincinnati Commercial, that Mr. Coleman, proprietor of the Burnet House, has placed on the bulletin board, in his saloon, the following:

NOTICE.

In obedience to the decision of the Supreme Court of Ohio sustaining the law of May , 1854 no liquor will be sold, excepting Native Wines, Beer, Ale, and Cider. A. R. COLEMAN,
Burnet House. } Proprietor.
Cincinnati, Feb. 14 1855. }

Great Outrage.—On Monday evening last a man named Wm Malone, entered the milliner's shop of Mrs. O'dea, about 8 o'clock in the evening and attempted to violate her person. Mrs O'dea was considerably injured by the assault.

Malone is in jail to await his trial in default of $1,000 bail.

Another.—The same evening an Irish girl was knocked down on the east side of the river near Mr. Sleeper's house, but by the interference of Messrs. Sleeper and Holden, she was rescued, and the man escaped.

It is supposed that this was the same man who committed the other assault.—[Janesville Standard.

New Postoffice.—We understand that a new Postoffice has been established in the Town of Franklin in this county and Peter Ste[illegible]n appointed Postmaster. The new Office is called Davis, P. O.—[News.

CITY MATTERS.

No Lecture To-Night.

We are sorry to learn that John G. Saxe disappoints our Young Men's Association and will not lecture this evening, as heretofore announced. He has been so hindered in performing his previous engagements, by the deep snows of late, that he is obliged to give up his appointment here. The next two lectures will be by Bayard Taylor; the first on Tuesday evening—subject "India."

Police Court—Feb. 22nd.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE

A warrant was issued against David Campbell and Julius Knoblock, charging them with an assault and battery upon Joseph Hambitz, on the 22nd February.

Clear Proceeds.—The special agent, who for some days has been wandering through the mazes of Police Dockets, appears to have completed his labors in the Police Court. It is to be presumed that his farther labors will be prosecuted in the Circuit Court, to ascertain the amount of clear proceeds in that court, from fines inflicted. As it may be a matter of some interest to our readers, to know the whole amount of fines paid into the hands of the Police Justice, we append a list with the times at which they were accounted for to the Board of Supervisors. They are as follows:

Apr. 12, '48,	to Sept. 12, '48,	acc't'd for $		212 72
do	do	Dec. 28, do	do	122 00
do	do	Mar. 28, '49,	do	110 00
do	do	Sep. 17, do	do	200 00
do	do	May 13, '50,	do	380 00
do	do	Apr. 21, '51,	do	362 00
do	do	Oct. 30, do	do	256 88
do	do	May 18, '52,	do	187 80
do	do	Sept. 15, do	do	195 00
do	do	Nov. 8, do	do	45 39
do	do	Jany. 3, '53,	do	35 00
do	do	Apr. 27, do	do	165 00
do	do	Sep. 9, do	do	259 90
do	do	Dec. 26, do	do	100 00
do	do	May 10, '54,	do	140 00
do	do	June 21, do	do	20 00
do	do	Sep. 4, do	do	135 10
do	do	Jany. 2, '55,	do	189 44
Total,				$3116 23

Adding to the above, the amount of fines paid into the hands of the several Jailors and the fines inflicted by the Circuit Court, the aggregate of both would probably amount to $6,000, perhaps more. These fines have been retained by the several Boards of Supervisors in the County Treasury. The State claims them as pertaining to the School Fund, under Sec. 2 of Art. 10 of the Constitution of Wisconsin, "and the *clear proceeds* of all fines collected in the several Counties for any breach of the penal laws." The County claims them, alleging that the expenses of collection exceed the amount of fines collected, and that there are no clear proceeds, that pertain to the School Fund. This is a question that can alone be determined by the Supreme Court of the State, by judicial interpretation of what constitutes the *clear proceeds* of all fines. Should the decision of the Supreme Court be adverse to the position taken by the county, it will be seen that the thirty per cent allowed to the special agent for collection, under the law of last winter, will foot up to nearly *two thousand dollars*; a profitable office particularly as to the Police Office fines, the amount of which could be obtained in ten minutes from the regular returns of the Police Justice, to the Board of Supervisors.

Turton & Sercomb's Foundry and Machine Shop.

Messrs. Turton & Sercomb, both men of weight and skill in their business, as Machinists, and Founders, are prepared to execute orders for Steam Engines of any power, at the shortest notice. The recent enlargement of their premises enables them to fill orders for all kinds of Machinery, Castings, or Wrought Iron Work without delay. They are constantly sending to the interior, Steam Engines of various sizes from four horse, up to three hundred horse power. References can be obtained at their office on West Water Street to several of those who have purchased Engines of their make and which are now in operation within short distances of the City. Persons desirous of obtaining any kind of Machinery will do well to give them a call and examine their plans and prices; they will be amply compensated with a view of their extensive Foundry and Machine Shop on West Water Street.

Silk, Fancy and Dry Goods.—Messrs Chandler and Jennings offer great inducements to the public, for making purchases at their store, in Martin's Block. Their stock of goods is composed of all articles in the dry goods line. Choice Silks, Mouslin de Laines, Alpacha, and all other sorts and kinds of dry goods. Ladies are invited to call and examine some extraordinary dress patterns, and various styles of embroideries.

Putnam for March.—This capital monthly improves with age. It is by all odds the best American periodical yet published, and richly deserves the large measure of popularity which it enjoys. The March number is already received and for sale at Archibald Wilson's, East Water Street. Among the leading articles, we notice: 1 "The Mormons"—2 "The Cossacks"—10 "My three Conversations with Miss Chester" (concluded)—10 "Israel Potter"—three more chapters—16 "Twice Married"—and 19—Editorial Notes. The number is unusually rich in clever articles and the title-page contains a portrait of Dr. Vinton, author of the articles on "Japan."

What Constitutes a "Bona Fide Democrat."—Much curiosity having been excited by the official proclamation of Messrs. Shoeffler, Shields and Button, the "Democratic City Committee," that none but "bona fide Democrats" would be allowed to vote at the Primary Meetings on Tuesday next, the *News* interprets the limitation in this wise:

We might state, though unofficially, that a "bona fide democrat," should be at least *half white*, and "opposed to mob law."

This is a caution to all who took part in the Rescue meetings, or who approve the discharge of the prisoners by our State Court to keep away from the Democratic wigwams. They are none of them regarded as "half-white."

Brass Cannon for Sale.—A small brass cannon, among other things, is for sale at Hood's Chequered Auction Store, this morning.

For the Daily Sentinel.

The Relief of the Poor.

Messrs. Editors:

The little I have done may not be worth alluding to, but it is nevertheless due to those who have made me their almoner, to inform them that I have used up all the money confided to me, being fourteen dollars in all; for particulars of which they can see my memorandum book.—There are some poor in the city, aside from those who are taken care of by the Commissioners, and had I means I could relieve them: and I would respectfully suggest to those who have the am'ts appropriated for the several Wards, that they be not in haste to get rid of it, but let it be kept sacredly for those who are really in need of it.—There are cases where it might be loaned in small amounts. A few instances of Mechanics, worthy men, who are in need, but do not ask for aid, some who were sick last fall and have had sickness in their families that would be relieved, if helped in this way. One in particular, whose wife two days since gave birth to two daughters, who has not money to employ help to take care of his wife and three little ones; and another, similarly situated, though *not quite as much so*. It must be borne in mind that the winter of suffering is not half over. March and April will bring little relief, except its sunshine, as business does not commence until about May. And those who have undertaken this good work must not get weary in well-doing. I may add that in addition to the foregoing amount, I have distributed some bedding and clothing, kindly furnished by one of our Bank Presidents, and some provisions from one of our Packers.

E. EMERY.

Milwaukee, February 22.

Confectionery Toys &c.—Captain Miller informs us that the London Beadle, one of those officials, so admirably described by "Dickens," continues to pay his respects to the passers by, and will make his bow to all customers visiting his Confectionery Store, in the new Block on East Water Street, on the side of the U. S. Hotel.

Washington's Birth Day.—In honor of the day, the several Military Companies of our City, the Riflemen, Artillery and Dragoons, paraded yesterday with two bands of Music, and marched thro' the principal streets. In the evening the Companies united in giving a Military ball at the Market Hall.

More Indictments.—In addition to the indictments as found by the Grand Jury already noticed, the following four were presented yesterday. Edward Fassbinder for murder in the first degree, Mary Donahue, Adelaide Buechner and Charles G. Zastro for larceny. The criminal trials will most likely commence on Monday next.

Wintry.—We had mid-winter weather again yesterday; a keen North wind and a driving snow-storm which looked, at nightfall, as though it meant to stay awhile. The foundation is capital and a few inches of snow will make the sleighing super-excellent. We are, by the Almanac, within *four* days of Spring, but a month or two off, by the weather.

Great Chances for Bargains.—Messrs. Adler & Newbouer, of No. 19 Spring Street, give notice to the public, through our advertising columns this morning, that they are prepared to offer goods of all sorts and qualities to their customers on better terms than can be found anywhere else. Read their card and accept their invitation to call, see and be satisfied.

Readings at Young's Hall.—As there will be no Lecture *this* evening, in consequence of Mr. Saxe's inability to fulfil his engagement, Mr. Griffith proposes to give one of his popular Readings and will introduce extracts from Saxe's Poems, with other selections. To commence at 8 o'clock—admittance 25 cents.

Presbyterian Board of Publication.

Messrs. Editors—In your notice of the retirement of the Rev. Mr. Spencer, you say he leaves Milwaukee for the purpose of entering upon the duties of Secretary of the Presbyterian Board of Publication, at Philadelphia. As this might lead to some misunderstanding, I beg leave to say that there are two Boards of Publication in Philadelphia, one of which—that connected with the *Old School* branch of the Presbyterian Church—has been in operation for a number of years, and is well known throughout the country. The other has recently been organized to represent the New School body; and it is to this latter Board that Mr. Spencer is to act as Secretary. O. S.

Liability of Railroad Companies.—A decision of some importance was made in the Supreme Court of Ohio on the 8th inst., in relation to the liability of Railroad Companies for the killing of cattle and other animals that have got upon the track. By this decision they are held to a very strict accountability in such cases. Judge Bartley, in giving his decision, said: "There is no law in Ohio prohibiting the *owners* of domestic animals, consisting of cattle, horses, hogs, &c., from running at large upon the range of uninclosed lands except *when unruly and dangerous*." His Honor further holds that the rule of the common law of England has never been in force in Ohio, "being inapplicable to the circumstances, condition and usages of the people, and also inconsistent with the legislation of the State."

For the Daily Sentinel.

The New Minister to Spain.

Messrs. Editors:

For curiosity's sake, if for nothing else, please insert the following editorial morceau of fun, taken from the columns of the Wisconsin *Staats Zeitung*, the German democratic Hunker organ, of February 19, 1855, published at Madison, by A. Kruer, late editor of the Milwaukee, Wisconsin *Banner*, and think of it, and laugh at it, and "stick a pin there."

Friend Kruer says:

"Comedy.—Senator Augustus Cæsar Dodge, of Iowa, son of our old General Dodge, has been nominated by the *Pierce Administration* as the successor of Mr. Soule. How Soule will clap his hands on receiving this news! *Augustus Cæsar Dodge*, the honest, clumsy back-woodsman, who knows even less of European diplomacy, than a Yankee of æsthetics, this dry American country politician, nominated, under existing circumstances, as United States Minister to the Court of Spain—it is ridiculous indeed! A peasant boy of natural good sense, for the first time visiting a splendid palace, is a jewel compared to Mr. Dodge, standing in the midst of the Spanish Grandezza, bowing stiffly to one of the dukes, and exclaiming, "How are you to day, old fellow?"

"This nomination, however, plainly shows, that the Pierce Administration has entirely given up the plan of the annexation of Cuba."

Good News.—James Johnson, President of the Milwaukee and Watertown Railroad Company, was in this city yesterday, on business connected with that enterprise. He informs us that there is now little or no doubt whatever, that the work on the unfinished part of the road between Oconomowoc and this place, will be resumed as soon as the frost is out of the ground, and will be vigorously prosecuted, until the whole is put in operation. If anything is needed to accomplish this object so desirable to us all the granting of the additional bonds by this city would supply the want.

Mr. Johnson also informs us that the receipts on that part of the road now in use, gives the best encouragement for its future profitableness. Last Friday, $300 were taken, and the next day $270. It is confidently anticipated, notwithstanding February has only twenty-eight days, and heavy snow storms had to be contended with, the total receipts for this month will reach at least FIVE THOUSAND DOLLARS.

With these facts before us, there can be no doubt but we shall have railroad connection with the Lake shore, as soon as money and men can make it.—[Watertown Democrat.

The Judicial Election.—The Janesville *Free Press* opposes the re-election of Judge Crawford, and expresses itself favorable to Marshal M. Strong or J. H. Knowlton. Both of these gentlemen stand in the front rank of their profession, and are well qualified as lawyers, as men of integrity, and good habits, for the position. We understand, however, that a call numerously signed has been forwarded to Orsamus Cole of Potosi, requesting him to be a candidate, and that Mr. Knowlton is favorable to his election. We think Mr. Cole will prove generally satisfactory to those not anxious for the re election of Mr Crawford.—[Madison Journal.

COMMERCIAL.

THE MARKETS.

OFFICE OF THE DAILY SENTINEL, }
Milwaukee, February 23, 1855. }

Receipts by M. & M. Railroad, Feb. 21st—3821 bus wheat, 77 do oats, 90 do corn, 195 bbls flour, 42 do pork, 19 do highwines, 497 hogs, 13 hhds sugar.

By M. W. R. R.—3932 bus wheat, 353 do barley, 256 bbls flour, 4 do potash.

Very heavy receipts yesterday, over 10,000 bushels of wheat having come in by Railroad. Market active at steady rates.

Wheat—readily taken at 1,22@1,25 for Spring and Club, 1,31@1 38 for Winter. Some choice lots of Club brought 1,37, and a few loads of White Winter 1,40.

Barley—in steady request, at 95a$1.

Rye—firm, at 80a84, with light receipts.

Oats—quick, at 35a37 1 2 for home trade.

Corn—nominal, 45a50.

Pork—active and tending upward. Range of market yesterday, for most lots, $4,12 1 2a4,50, bu. 4,75 and in one instance 5,00 were paid for choice and extra hogs.

Another snow storm set in yesterday afternoon, with every promise of continuing thro' the night.

Cincinnati Market—Feb. 17th.

Flour and Grain—The only sale of Flour heard of today was 80 bbls from Hamilton and Dayton Railway at $9,18. Of Grain, 400 bu. Oats in bulk sold at 40c, and 400 do in sacks at 50c.

Provisions—There is considerable buoyancy of feeling in the market for Hog product, and buyers are free to operate at previous prices, but holders are not disposed to offer stocks except at advanced rates, and we understood 1000 bbls Mess Pork sold to-day for considerably over $12 but we did not learn the particulars. Of Bulk Meat, 20,000 lbs Shoulders sold deliverable at Maysville, at 4⅜c, and $1 25 for hhds, and 5000 do, deliverable here, at 4⅜c.

New York Money Market.

New York, Feb. 17.

Large business done in State Stocks; Virginia sixes selling at 94½; North Carolina do at 96, and Ohio at 106. In R. R. Bonds the sales amounted to $86,000.

Money is abundant on call at 6a6 per cent; and first class paper is not plenty. The Evening *Post* says:

The week closes upon a further relaxation in the rates for the loan and discount of money, with the greatest ease of supply, but with still a great want of confidence. Business is remarkably contracted for the season. Discrimination in credits was scarcely ever so severe, and though there is a considerable demand for good investments in stocks and bonds none but those which are without a rumor of unsoundness at tract attention. The feature of the stock market is consequently weakness of the *fancies*, and buoyancy of securities dividend paying and sound.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to Insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of Insurance can have. Human existence must on consideration, enjoy a much higher estimate than worldly property.

While the representative of a *family* lives, (although, through neglect to insure his *property*, he becomes bankrupt,) he supports his family; but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comforts during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased.

Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute.

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain in their issues, *should insure*.

The farmer who has still a mortgage on his farm, should insure, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

THE DAILY SENTINEL.

Rufus King, Wm. H. Watson & John S. Fillmore, PROPRIETORS,
[illegible]
RUFUS KING & CO.

Friday Morning, Feb. 23.

☞ [illegible] Telegraph see Third page.

News of the Morning.

[illegible] intelligence from Europe will [illegible] telegraph head this morning. [illegible] correspondent in New York advises [illegible] telegraphic dispatches from [illegible] negotiations broken off, and War about to be resumed with increased [illegible]. Should this be so, Europe, during the coming spring and summer, will be one vast battle-field, and the world will behold another Na[illegible] campaign. The additional news by the [illegible] approaching crisis in the [illegible] are preparing to attack, [illegible] will be the struggle.

[illegible] there are several items of [illegible] still disposed to modify [illegible] New York and Delaware, the Maine Law passed one branch of the Legislature [illegible] yesterday, on the Atlantic [illegible] undeniable Winter here. In [illegible] Market of yesterday, Flour was [illegible] Pork decidedly higher.

[illegible] Liquor Law.—Our Madison letter [illegible] sketch of the proceedings in the Assembly when in Committee of the Whole, [illegible] Prohibitory Liquor Law.— [illegible] of the passage of the bill by that body, and not much of the concurrence of the Senate; but there is very great doubt of its [illegible] the signature of the Governor. Indeed [illegible] predicted by those who think that they have the Governor's pledge to that effect.

Judicial Election.

We publish this morning the correspondence [illegible] members of the Wisconsin Bar and Judge Crawford, in reference to the approaching election. The Bar invite the Judge to [illegible] candidate for re-election and the Judge [illegible] the invitation. The Madison Democrat, [illegible] which we copy this correspondence, while [illegible] Judge Crawford [illegible] his position of [illegible] the Booth case" and his "lack of [illegible] not standing upon the bold ground [illegible] to any attempts to frustrate the [illegible] enforcing its *wholesome* [illegible] laws" (the Fugitive Slave Act [illegible] still concludes that, as between him and any of the persons named against him, it [illegible] will probably support Judge Crawford. It now seems likely that Mr. Cole of [illegible] respond to the call made [illegible] Judge Crawford's principal [illegible] a foeman worthy of his [illegible] no better citizen, or [illegible] Orsamus Cole.

Business Matters at St. Louis.

[illegible] *Republican* of Monday, 19th instant, [illegible] market there as quite active [illegible] upwards. Upon the strength [illegible] from New Orleans of the [illegible] the stock of Flour there was [illegible] and quoting superfine at $12, [illegible] $1,00, Oats $1,04, and Potatoes [illegible] barrel, quite large operations had taken [illegible] some 3,000 bbls of flour having [illegible] $7 75a8,00 for city superfine, [illegible] 8 or 10,000 bushels are noticed at $1 [illegible] Yellow Corn is selling at 62½ [illegible] 70. Oats continue to improve, [illegible] week, at 60a62½. Barley is in [illegible] at $1 40a1,60 for fair to prime.— [illegible] at $11,50a12,00 per bbl.— [illegible] was over and the aggregate [illegible] last year, say 85,000 to 90,000 [illegible] lard were held at 8a8¼c. The Republican concludes by saying that the [illegible] are most favorable for an [illegible] season; the demand for all kinds [illegible] and prices ruling high.

[illegible].—Two St. Louis steamboats, *James Robb* and *Dresden*, both first-class [illegible] bound to New Orleans, [illegible] week, with most of their valuable [illegible] against snags in the river.— [illegible]

A [illegible] of Gold.—Half a million of [illegible] was carted from the U. S. Sub-Treasury at St Louis to the Banking House of [illegible] on Saturday evening last; preparatory to the opening of their house for business on Monday following.

Snow [illegible].—We learn from the [illegible] *Pinery* of the 19th instant that [illegible] storm set in there, on Sunday, [illegible] continued, with but little intermission [illegible] hours. The new snow fell to the [illegible] two feet and added to the old stock, [illegible] feet on the level. The roads were [illegible] up, and the Lumbering business [illegible] obstructed, by the deep snow. The *Pinery* [illegible]

[illegible] late in the season, it cannot be expected [illegible] should its exit be accompanied [illegible] shall be on the look out for a [illegible] the snow go only by the heat of [illegible] spring, the finest possible condition [illegible] for running out rafts in April, [illegible]

That [illegible] Report.—The Evergreen City Times, [illegible], publishes Senator Taylor's [illegible] on the Governor's "&c., and [illegible], and successfully defends that [illegible] the malicious aspersions of the [illegible] the Wisconsin and kindred [illegible]. The *Times* adds:

W[illegible] to notice that both of the democratic [illegible] in this city endorse the course of Senator [illegible] in this matter.

The [illegible] have wisely concluded to let [illegible] alone. They got quite enough of [illegible] the first trial.

[illegible] New Rates.—The following [illegible] on cargoes of grain and [illegible] on board steam and sail vessels [illegible] the Lakes, were adopted at the recent convention of underwriters at Buffalo.

[illegible] Lake Michigan to ports on Lake [illegible] by sail or steam vessels, during April [illegible], May 1st to Aug. 31st, 1½; Sept. 1st to 14th, 1½, do, 15th to 30th, 1¾; October 1st to 14th 2, 15th to 31st, 2¼; Nov. 1st to 14th [illegible] do, 15th to 30th, 3½. Flour [illegible] by sail or steam, during April [illegible], May 1st to Aug 31st, ⅞; Sept. 1st to 14th, [illegible] 15th to 30th, [illegible]; Oct. 1st to 14th, [illegible] to 31st, 1¾; Nov. 1st to 14th, 2¼, and [illegible]. Add ¼ per cent. from ports [illegible] Lake Michigan. Add ½ per cent [illegible] Lake Ontario, and 1 per cent. to [illegible] St. Lawrence Canals. Insurance [illegible] November by sail, and 25th November by steam, from ports on Lake Michigan.

[illegible] on sail vessels on the Lakes [illegible] rates in April, September, October and November, and double rates in May, June, J[illegible]. Against and insured against total loss of packages only. The minimum rate of loss to make claims shall be ten per cent. of the whole [illegible] insured on dock.

Judged by its own Rule.—The Wisconsin [illegible] the *Sentinel's* opposition to the Governor, [illegible] interested motives. In so doing, it [illegible] itself, and though mistaken as to our motives very clearly reveals its own. The rule which it lays down, illustrated by the "pap" in its advertising columns, sufficiently accounts for its [illegible] applause of everything done [illegible] by "Barstow and the Balance."

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, Feb. 21.

I sent you to-day the list of bills passed in the Senate. None were passed in the House, the whole morning, after the first three orders, being spent upon the special order—*the Temperance Bill*—or, as it has been called hitherto, the prohibitory liquor law. As this subject engrosses all interest at the present time, I shall confine this letter mostly to it.

The bills introduced in Assembly were as follows:

By Mr. Bennett, authorizing T. W. Baker and others to build a dam.

By Mr. Rose, charter of Wildwood Cemetery Association.

By Mr. Davis, charter of Mineral Point and Newport R. R. Co.

By Mr. Moscowitz, for a state road.

By Mr. Rose; charter of Madison, Fond du Lac & Lake Michigan R. R. Co.

Reports of the Committees were concluded, when Mr. Colley moved to take up bill No. 218, "For the suppression of intemperance in the State of Wisconsin," being the special order for this day. The motion carried, and on motion of Mr. Field, the Assembly went into committee of the whole on the bill, Mr. Cross in the Chair.

Copies of the bill, printed, had been distributed, but some of the members had received more than their share, and the copies were scarce. On this account, Mr. Hull moved that the committee rise. Lost, 29 to 32, on a division.

The 1st section was read. P. H. Smith moved to strike out the clauses which provide against "*giving away*" intoxicating liquors. Mr. Welch opposed the motion. He said that the committees of the Senate and House had acted in concert, and prepared the best bill they could.— He hoped that the friends of the bill were prepared to vote it through, unless some important amendments were necessary in order to perfect it. The amendment was *lost*.

Mr. Hull moved to strike out the exception in favor of physicians, &c, stating that as the bill stood, it was nonsense, or bad English. He should do all that he could against the bill. He supposed that the programme was already arranged, and that this House is called upon to vote as a matter of form only. He supposed that his amendment couldn't pass, but he should take such course as he pleased in opposition.

Messrs. W. Grant and Virgin opposed the amendment.

Mr. Stevens moved to rise and report the bill back, tabling it for one week. Lost 30 to 38.

Mr. Hull's amendment was lost.

Mr. Randall moved to amend by the insertion of a clause specifying that the "giving away" of liquors is "for the purpose of evading the law;" carried, 30 to 36.

Mr. O'Neill moved to strike out a clause in the section which excepts liquors protected by any law of the U. S., and Mr. Hull spoke in favor, saying that while the State was telling Uncle Sam that *one* of his laws has no force here, we might as well repudiate *all* of them. The amendment was *lost*.

Mr. Hull moved to strike out the whole section; *lost*.

Section 2 was read.

Mr. Hull moved to strike out the words "pure and unadulterated," describing the kind of liquors to be sold by the agents; on the ground that the section provides that the agent shall *not* use liquor himself, and therefore cannot be a judge of it. *Lost*.

Mr. P. H. Smith moved to strike out the word "*not*." *Lost*.

Mr. Moscowitz moved to strike out the clause allowing the sale for sacramental purposes—*lost*.

Mr. Gunn moved to amend by compelling the applicant for a permit to give bonds, the section leaving it discretionary with him. *Lost*, it being being shown by Mr. Ebbetts that this was otherwise provided for.

Section 3 was read.

Mr. Ebbetts moved to amend by providing that a copy of charges should be served upon the agent before he is removed for malfeasance—*lost*.

Sec 4 was read.

Mr. Hull moved to strike out the clause providing that the person to whom liquor is sold by the agent shall be a person "of good character for sobriety;"—*lost*.

Mr. P. H. Smith moved to strike out all the words restricting the agent as to the persons to whom he sells—*lost*.

Mr. Gary moved to amend by striking out a clause preventing liquors sold by the agent from being used on the premises. He said that in cases of sudden illness, it might be necessary to administer the medicine on the spot. As Mr. Gary is a friend of the bill, the amendment would probably have carried, if some of its enemies had not cracked their jokes upon the numerous cases of illness likely to arise. As it was, the amendment was *lost*.

Sec. 5 was read.

Mr. P. H. Smith moved to rise and refer the bill to the Committee on Charitable Institutions for explanation—*lost*.

Mr. Ebbetts moved a verbal amendment—*lost*.

Mr. Hull moved to insert words making it a portion of the penalty for offences that the offender shall be ever afterwards disqualified from *using* liquor—*Lost*.

Mr. Rose moved an amendment, providing for punishing for perjury any agent who shall falsely swear that he does not use liquor. He said that he was instructed to vote for a prohibitory law, and desired to get as efficient a law as possible. The amendment was *carried*.

Mr. Ebbetts moved to amend so that offenders shall be imprisoned one day for every $2,50 of the fine, instead of for every $1,00; he thought that if members should violate the law, it was hardly fair to take more than their *per diem*.— Mr. Earnest moved that the members rise and go and take their last drink! Mr. Gunn said that the *friends* of the bill were not likely to be troubled with the penalties of the act.

Mr. Ebbetts thought that the gentleman's name indicated that he might be *cocked* as soon as any one.

Mr. Schrage sent up an amendment which had been handed to him, providing that the tresses of boys and girls should be trimmed by the town barber to a specified length. *Lost*.

Section 6 was read.

Mr. Hull moved to strike out the last clause of the section. *Lost*.

Mr. Rose moved to amend, specifying more particularly as to the offences which are to be deemed "second" and "third" and "subsequent" offences—*carried*.

Mr. Randall moved to strike out all of the first part of the section, which gives Justices of the Peace jurisdiction over cases under the law, and to insert a sentence giving cognizance of the several offences, perjury &c., to the Courts having jurisdiction. *Carried*.

Section 7 was read.

Mr. Hull moved to strike out the whole section. *Lost*. (It provides for the search, seizure and destruction of liquors.)

Mr White moved an amendment providing that the person who complains to the magistrate should swear that he *knows* (instead of *believes*) that liquors are concealed. *Lost*.

Section 8 was read, and no amendment offered.

Section 9, (form of complaint, examination of witnesses, and arrest of accused,) was read

Sundry verbal amendments were made.

Mr. P. H. Smith moved sundry amendments requiring the complaints as to violations of the law to be made on oath, and these, after some discussion, were carried 36 to 32. Mr. Hull spoke at length against the bill.

Mr. Stevens moved that the committee rise—*Lost*.

Mr. Rose moved to amend, that the complaints might be made on oath of the belief of the complainant. *Carried*.

Mr. Abbot moved to amend by authorizing affirmations instead of oaths. *Carried*.

Section 10 was read.

Mr. Bennet moved to add a clause exempting lager-beer, in quantities of 15 gallons and over.

Mr. P H Smith moved to make the quantity 5 gallons—carried 27 to 25.

Mr. Hull moved to except beer, Schiedam Schnapps, and old A brandy—*lost*.

Mr. O'Neill moved to except Irish whiskey, and Scotch ale—*lost*

Mr. Bennets' amendment, as amended, was then *lost*, 22 to 32.

Mr. O'Neill moved that the committee rise—*lost*.

Sec 11 was read.

Mr. Hull moved to strike out the clause providing that no licenses shall be granted after the passage of this act. Mr. Welch opposed the motion, on the ground that licenses would be granted all over the State before the first of June next, the time for the law to go into effect—*lost*

Mr. O'Neill moved a proviso that old licenses should not be affected—*lost*.

Sec 12 was read.

Mr. Vilas moved a section submitting the law to the people at the fall election. *Lost* 30 to 37.

Mr. O'Neill moved to amend so as to have the law go into effect in 1856—*lost*.

Mr. Rose moved to amend, so that the present license law shall be repealed on the publication of this act—carried.

Mr. Van Nostrand moved to amend by excepting native wine. He said that several kinds of this wine were found useful for physicians, and ought to be excepted. Mr. White moved to except cider. Both *lost*.

The whole bill having been gone through, Mr. Sholes moved an alteration of the arrangement of of the first section—carried.

Mr. Gary said that as the bill needs further examination and amendment, he moved that the Committee of the whole rise and ask leave to sit again on the bill. Carried, and leave granted.

Mr. Stevens moved to postpone the subject for two weeks—*lost*.

Mr. Bennet moved to suspend the rules to pass two bills which he reported from the Committee on claims, relative to pay of officers. Mr. Allen moved to refer the bills to the Committee on Legislative Expenses—*carried*.

Mr. Ruan offered a resolution that "when the House adjourns, it adjourns to Friday to give opportunity for celebrating Washington's birthday, and that the *per diem* be given to the Washington Monument." Pending this, Mr. Bennet moved to *adjourn*, which was carried, 34 to 25, and the Assembly adjourned.

The above, you will see, indicates the passage of the Temperance Bill in the Assembly, and it is thought certain it will pass the Senate. So the sanguine friends of the bill think. Throughout the morning, members seemed to vote according to the opinions expressed by their constituents, for or against the bill. W. H. W.

Madison, Feb. 20, 1855.

Gentlemen:—Your communication, requesting me to become a candidate for re-election to the office which I now occupy, is before me.

This voluntary expression of the confidence and esteem of so many of my professional brethren, is not only peculiarly gratifying to me, but induces me to believe that my efforts to discharge the duties of the station to which the electors of Wisconsin promoted me, have been favorably looked upon by those who have had opportunity to form an opinion upon them.

A proper discharge of the duties of a Judge of the Court of last resort of the State, is of the utmost importance to the people of the State, and I assure you, gentlemen, that if any evidence were presented to me that my brethren at the Bar desired a change in the occupant of my place, I would not permit my personal interests, or feelings to thwart their wishes.

I need only say, that encouraged by your favor and the former preference of the electors of the State I willingly accede to your request.

I am, gentlemen,
Very respectfully,
Your obedient servant,
Samuel Crawford.

To Messrs. Harlow S. Orton, A. R. R. Butler, I. J. Talmadge, G. O. Prentiss, S. O. Paine, M. H. Carpenter, J. J. Enos, N. B. Boyden, and others.

Resumption of Page & Bacon.—This well-known St. Louis firm resumed business on Monday last. The St. Louis papers of that and previous dates contain the following notice in regard to this event:

Card to the Public.

Office Page & Bacon,
St Louis, Feb. 17,th 1855.

We are happy to announce that our arrangements for the re-opening of our House are now complete, and that on *Monday Morning, Feb. 19th*, we shall resume the regular business of our office.

In making this announcement, we should do injustice to our deep sense of obligation, did we not embrace the opportunity it affords, of bearing public testimony to the kind consideration and generous sympathy so uniformly extended to us since the issue of our card of 12th January. We are not insensible to either the fact or its significance, that, during the entire term of our suspension, we have been annoyed by no manifestation of uneasy solicitude or disaffection on the part of our friends; but have rather been cheered and encouraged by their many proofs of unabated confidence. We have no disposition, at the present time, to recur to the immediate cause of our misfortune. The principal facts have already been laid before the public, in the journals of New York and St. Louis; and we are content that the same public, without further statement or comment on our part, should pronounce upon their character. PAGE & BACON.

Notice.—All drafts drawn by our house on Duncan, Sherman & Co., will be paid by the "Bank of America," New York; those drawn on Boston, Philadelphia, and Baltimore, will be paid either by by us or by our respective correspondents on whom they are drawn, with interest and cost of protest. Page & Bacon.

Rail Roads.—It gives us great pleasure to hear that the bill extending the Milwaukee & Mississippi R. R. from Janesville to the Mississippi has passed. This relieves us of the deadly incubus of Monk's Hall, an influence that has kept back this great work two years. This opens the prospect of its immediate commencement.—[Janesville Standard.

THE WAR.

We find the following description of the Russian New Year's Day sortie in the correspondence of The London *Times:*

January 13.—Last night the wind changed round to the southward, and the thermometer rose to 34°. A speedy thaw followed, and the roads and camp will once more suffer from the ravages of our old enemy—the mud. The Russians, who had lighted great watchfires on the north side of the place, illuminated the heights over the Chernaya with rows of lights, which shone brilliantly through the darkness of the cold winter's night, and were evidently, with all possible pomp and ostentation, celebrating the opening of their peculiar new year. Lights shone from the windows of the public buildings; and our lonely sentries in the valleys and ravines, and the *enfans perdus*—the French sharpshooters lying in their lairs, with watchful eye on every embrasure before them—might almost fancy that the inhabitants and garrison of the beleaguered city were tantalizing them with the aspect of their gaiety. At midnight all the chapel-bells of the city began ringing, and it was evident that a religious ceremony of extraordinary solemnity was about to take place. On our side the sentries and pickets were warned to be on the alert, and the advanced posts were strengthened whenever it was practicable.

About a quarter past 1 o'clock this morning the Russians inside the line of works gave a loud cheer. The French replied by opening fire, and the Russians, in return, instantly began one of the fiercest cannonades along the front of the position which we have yet heard. It reminded one of those tremendous salvoes of artillery which the enemy delivered on two or three occasions before we opened our batteries last October. The earthworks flashed forth uninterrupted floods of flame, which broke through the smoke as lightning through the thunder-cloud, and revealed distinctly the outlines of the buildings in the town, and the lines of defences swarming with men. The roaring of shot, the screaming and hissing of heavy shell and the whistling of canisters filled up the intervals between the deafening roll of cannon, which was as rapid and unbroken as quick file-firing. The iron storm passed over our lines uninterruptedly for more than half an hour, and the French, whose works to our left are less protected by the ground than ours are, had to shelter themselves closely in the trenches, and could barely reply to the massive volleys which ploughed up the parapets of their works, but their *enfans perdus* never lost an opportunity of sending their balls into the embrasures. In the meantime, while the firing was going on, a strong body of men had been pushed out of the town up the face of the hill towards our works in front and on the flank of the left attack. As it was expected that some attempt of the kind would be made, one of the steadiest sergeants in the service was posted here with twelve men.— Every reliance was placed on his vigilance and on his strict attention to his duties, but, somehow or other, the enemy crept upon the little party, surprised, and took them prisoners, and then advanced on the covering parties with such rapidity and suddenness that the parties of the Sixty—th, and of the Twenty—st Regiments, which were on duty in the trenches, were obliged to retire almost without firing a shot. They rallied however, and fired, and, being supported by the regiments in rear, they advanced, and the Russians were driven back close to the town.

In this little affair one officer and nine men were severely wounded, six men, were killed and 14 men are now missing. The French had to resist a strong sortie nearly the same time, and for a short time the Russians were within the parapet of one their mortar batteries, and spiked, it is said, two or three mortars with wooden plugs, but the French soon drove them back with loss, and in the pursuit got inside the lines of the Russian's advanced batteries. The soldiers, indeed, say they could have taken the place that night, if they had been permitted to do so. At two o'clock this morning all was silent once more, and the allied armies had opened their new Russian year on the Crimean soil.

A letter published in the *Journal de Constantinople*, of the 18th ult., contains the following account of the conduct of the siege:

"The walls of the town have large breaches in them, through which our volunteer sharp-shooters penetrate, to see what is going on in the faubourgs. These peregrinations are not always unattended with danger, and our bold marauders exchange more shots than words with the Russians whom they meet. The other day, 20 of them, who had ventured into the faubourg, were attacked by a hundred Russians. The struggle was a fierce one. The little band cut their way through them, but with a loss of 12 killed. The other eight reached the camp in safety, after killing a great number of the enemy.

"Not a day passes without a brush somewhere with the enemy. The Russians increase the number of their sorties, which become monotonous. It is always the same thing over again. However in the night between the 7th and 8th we were aroused by brisker firing than usual. A strong Russian column had attacked our trenches. It was vigorously repulsed by the 46th of the line, on duty in the trenches, who followed the Russians into their intrenchments, killing a great number of them. On the day following the affair, in which our soldiers gave proof of great bravery, Gen. Canrobert published an order of the day in which, after praising the bravery of the troops, he conferred the Cross of the Legion of Honor upon the Under-Lieutenant commissioned officers and soldiers who particularly distinguished themselves."

The *Independance Belge* publishes a Constantinople letter, which, under date of the 18th, states that the works of the besiegers, even those of the English, were completely finished. The allies would, however, await a more propitious opportunity and the arrival of the Turks before the assault was made, and in the meantime, limit themselves to silencing the fire of the place when it was too lively.

A Solitary Rail Road Ride.—A correspondent of the Racine *Advocate*, writing from Waupun relates the following:

In returning to this place, I took the cars of the Valley Road, and after stopping a few times to nail down the snake-heads of the strap-iron which forms a part of the rails, I reached the depot near this place in about an hour, and came up this village in half an hour more. Your correspondent was the only passenger down and whether from the overtasked energies of the engine and the road on this occasion, or some other cause, the engine and cars immediately stopped running, and have not ventured out since. This trip down must have cost *somebody* about $25, for which they exacted of me but fifty cents.— The road is to be sold (ostensibly) under the hammer next month, but it will be seen that it is another, and probably the last attempt to revive its credit, and place it upon a permanent footing.

Tremendous Snow Storm.—On last Sunday night snow commenced falling, and continued to fall during yesterday and last night incessantly. The snow is now three feet deep on the level. The oldest inhabitants are unanimous in the expression that this is the greatest snow-storm they have ever witnessed in Wisconsin. No mail has arrived from any quarter, this week, although two are now due, and therefore, we are unable to give any news in this issue.—[Waupaca Spirit, Feb. 13.

Grand River Plaster.—During the excellent sleighing for several weeks past, a heavy business has been done at Grand Rapids in this great staple of the Grand River valley. The average sales to teams has been from 100 to 150 tons per day. This article alone, will half support a rail road to the Rapids. In one day last week 350 teams passed the toll-gate on the Kalamazoo and Grand Rapids plank road.—[Detroit Advertiser.

The Stabbing Case.—Our sympathising friends of the *Wisconsin* and *Argus* are making themselves very miserable over the idea that we have been stabbing Senators Bashford and Harvey. It affords us pleasure to state that they are laboring under a misapprehension. Both of those gentlemen were in their seats yesterday just as if nothing had happened; and were heard to reply to the interrogatory of a disinterested and alarmed member of "the balance" that they were not the individuals "stabbed."—[Madison Journal.

Submitting to the Law Gracefully.—We notice, says the Cincinnati Commercial, that Mr. Coleman, proprietor of the Burnet House, has placed on the bulletin board, in his saloon, the following:

NOTICE.

In obedience to the decision of the Supreme Court of Ohio sustaining the law of May , 1854 no liquor will be sold, excepting Native Wines, Beer, Ale and Cider.
A. B. COLEMAN,
Burnet House, Proprietor.
Cincinnati, Feb. 14 1855.

Great Outrage.—On Monday evening last a man named Wm. Malone, entered the milliner's shop of Mrs. O'dea, about 8 o'clock in the evening and attempted to violate her person. Mrs O'dea was considerably injured by the assault. Malone is in jail to await his trial in default of $1,000 bail.

Another.—The same evening an Irish girl was knocked down on the east side of the river near Mr. Sleeper's house, but by the interference of Messrs. Sleeper and Holden, she was rescued, and the man escaped.

It is supposed that this was the same man who committed the other assault.—[Janesville Standard.

New Postoffice.—We understand that a new Postoffice has been established in the Town of Franklin in this county and Peter Ste[illegible] appointed Postmaster. The new Office is called Davis, P. O.—[News.

CITY MATTERS.

No Lecture To-Night.

We are sorry to learn that John G. Saxe disappoints our Young Men's Association and will not lecture this evening, as heretofore announced. He has been so hindered in performing his previous engagements, by the deep snows of late, that he is obliged to give up his appointment here. The next two lectures will be by Bayard Taylor; the first on Tuesday evening—subject "India."

Police Court--Feb. 22nd.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE

A warrant was issued against David Campbell and Julius Knoblock, charging them with an assault and battery upon Joseph Hambitz, on the 22nd February.

Clear Proceeds.—The special agent, who for some days has been wandering through the mazes of Police Dockets, appears to have completed his labors in the Police Court. It is to be presumed that his farther labors will be prosecuted in the Circuit Court, to ascertain the amount of clear proceeds in that court, from fines inflicted. As it may be a matter of some interest to our readers, to know the whole amount of fines paid into the hands of the Police Justice, we append a list with the times at which they were accounted for to the Board of Supervisors. They are as follows:

Apr. 12, '48,	to Sept. 12, '48,	acc't'd for $	212	72
do	do Dec. 28, do	do	122	00
do	do Mar. 28, '49,	do	110	00
do	do Sep. 17, do	do	200	00
do	do May 18, '50,	do	380	00
do	do Apr. 21, '51,	do	362	00
do	do Oct. 30, do	do	256	86
do	do May 18, '52,	do	187	89
do	do Sept. 15, do	do	195	00
do	do Nov. 8, do	do	45	39
do	do Jany. 3, '53,	do	35	00
do	do Apr. 27, do	do	165	00
do	do Sep. 9, do	do	259	90
do	do Dec. 26, do	do	100	00
do	do May 10, '54,	do	140	00
do	do June 21, do	do	20	00
do	do Sep. 4, do	do	135	00
do	do Jany. 2, '55,	do	189	44
Total,			$3116	23

Adding to the above, the amount of fines paid into the hands of the several Jailors and the fines inflicted by the Circuit Court, the aggregate of both would probably amount to $6,000, perhaps more. These fines have been retained by the several Boards of Supervisors in the County Treasury. The State claims them as pertaining to the School Fund, under Sec. 2 of Art. 10 of the Constitution of Wisconsin, "and the *clear proceeds* of all fines collected in the several Counties for any breach of the penal laws." The County claims them, alleging that the expenses of collection exceed the amount of fines collected, and that there are no clear proceeds, that pertain to the School Fund. This is a question that can alone be determined by the Supreme Court of the State, by judicial interpretation of what constitutes the *clear proceeds* of all fines. Should the decision of the Supreme Court be adverse to the position taken by the county, it will be seen that the thirty per cent allowed to the special agent for collection, under the law of last winter, will foot up to nearly *two thousand dollars*; a profitable office particularly as to the Police Office fines, the amount of which could be obtained in ten minutes from the regular returns of the Police Justice, to the Board of Supervisors.

Tutton & Sercomb's Foundry and Machine Shop.

Messrs. Tutton & Sercombe, both men of weight and skill in their business, as Machinists, and Founders, are prepared to execute orders for Steam Engines of any power, at the shortest notice. The recent enlargement of their premises enables them to fill orders for all kinds of Machinery, Castings, or Wrought Iron Work without delay. They are constantly sending to the interior, Steam Engines of various sizes from four horse, up to three hundred horse power. References can be obtained at their office on West Water Street to several of those who have purchased Engines of their make and which are now in operation within short distances of the City. Persons desirous of obtaining any kind of Machinery will do well to give them a call and examine their plans and prices; they will be amply compensated with a view of their extensive Foundry and Machine Shop on West Water Street.

Silk, Fancy and Dry Goods.—Messrs Chandler and Jennings offer great inducements to the public, for making purchases at their store, in Martin's Block. Their stock of goods is composed of all articles in the dry goods line. Choice Silks, Mouslin de Laines, Alpacha, and all other sorts and kinds of dry goods. Ladies are invited to call and examine some extraordinary dress patterns, and various styles of embroideries.

Putnam For March.—This capital monthly improves with age. It is by all odds the best American periodical yet published, and richly deserves the large measure of popularity which it enjoys. The March number is already received and for sale at Archibald Wilson's, East Water Street. Among the leading articles, we notice: 1"The Mormons"—2 "The Cossacks"—10 "My three Conversations with Miss Chester" (concluded)—10 "Israel Potter"—three more chapters—16 "Twice Married"—and 19—Editorial Notes. The number is unusually rich in clever articles and the title-page contains a portrait of Dr. Vinton, author of the articles on 'Japan."

What Constitutes a "Bona Fide Democrat."—Much curiosity having been excited by the official proclamation of Messrs. Shoeffler, Shields and Button, the "Democratic City Committee," that none but "bona fide Democrats" would be allowed to vote at the Primary Meetings on Tuesday next, the *News* interprets the limitation in this wise:

We might state, though unofficially, that a "bona fide democrat," should be at least *half white*, and "opposed to mob law."

This is a caution to all who took part in the Rescue meetings, or who approve the discharge of the prisoners by our State Court to keep away from the Democratic wigwams. They are none of them regarded as "half-white."

Brass Cannon For Sale.—A small brass cannon, among other things, is for sale at Hood's Chequered Auction Store, this morning.

For the Daily Sentinel.

The Relief of the Poor.

Messrs. Editors:

The little I have done may not be worth alluding to, but it is nevertheless due to those who have made me their almoner, to inform them that I have used up all the money confided to me, being fourteen dollars in all; for particulars of which they can see my memorandum book.— There are some poor in the city, aside from those who are taken care of by the Commissioners, and had I means I could relieve them: and I would respectfully suggest to those who have the am'ts appropriated for the several Wards, that they be not in haste to get rid of it, but let it be kept sacredly for those who are really in need of it,— There are cases where it might be loaned in small amounts. A few instances of Mechanics, worthy men, who are in need, but do not ask for aid, some who were sick last fall and have had sickness in their families that would be relieved, if helped in this way. One in particular, whose wife two days since gave birth to two daughters, who has not money to employ help to take care of his wife and those little ones; and another, similarly situated, though *not quite as much so*. It must be borne in mind that the winter of suffering is not half over. March and April will bring little relief, except its sunshine, as business does not commence until about May. And those who have undertaken this good work must not get weary in well-doing. I may add that in addition to the foregoing amount, I have distributed some bedding and clothing, kindly furnished by one of our Bank Presidents, and some provisions from one of our Packers.

E. EMERY.

Milwaukee, February 22.

Confectionery Toys &c.—Captain Miller informs us that the London Beadle, one of those officials, so admirably described by "Dickens," continues to pay his respects to the passers by, and will make his bow to all customers visiting his Confectionery Store, in the new Block on East Water Street, on the side of the U. S. Hotel.

Washington's Birth Day.—In honor of the day, the several Military Companies of our City, the Riflemen, Artillery and Dragoons, paraded yesterday with two bands of Music, and marched thro' the principal streets. In the evening the Companies united in giving a Military ball at the Market Hall.

More Indictments.—In addition to the indictments as found by the Grand Jury already noticed the following four were presented yesterday. Edward Fassbinder for murder in the first degree. Mary Donahue, Adelaide Buechner and Charles G. Zistro for larceny. The criminal trials will most likely commence on Monday next.

Wintry.—We had mid-winter weather again yesterday; a keen North wind and a driving snow-storm which looked, at nightfall, as though it meant to stay awhile. The foundation is capital and a few inches of snow will make the sleighing super-excellent. We are, by the Almanac, within *four* days of Spring, but a month or two off, by the weather.

Great Chances for Bargains.—Messrs. Adler & Newbouer, of No. 19 Spring Street, give notice to the public, through our advertising columns this morning, that they are prepared to offer goods of all sorts and qualities to their customers on better terms than can be found anywhere else. Read their card and accept their invitation to call, see and be satisfied.

Readings at Young's Hall.—As there will be no Lecture *this* evening, in consequence of Mr. Saxe's inability to fulfil his engagement, Mr. Griffith proposes to give one of his popular Readings and will introduce extracts from Saxe's Poems, with other selections. To commence at 8 o'clock—admittance 25 cents.

For the Daily Sentinel.

Presbyterian Board of Publication.

Messrs. Editors—In your notice of the retirement of the Rev. Mr. Spencer, you say he leaves Milwaukee for the purpose of entering upon the duties of Secretary of the Presbyterian Board of Publication, at Philadelphia. As this might lead to some misunderstanding, I beg leave to say that there are two Boards of Publication in Philadelphia, one of which—that connected with the *Old School* branch of the Presbyterian Church—has been in operation for a number of years, and is well known throughout the country. The other has recently been organized to represent the New School body; and it is to this latter Board that Mr. Spencer is to act as Secretary. O. S.

Liability of Railroad Companies.—A decision of some importance was made in the Supreme Court of Ohio on the 8th inst., in relation to the liability of Railroad Companies for the killing of cattle and other animals that have got upon the track. By this decision they are held to a very strict accountability in such cases. Judge Bartley, in giving his decision, said: "There is no law in Ohio prohibiting the *owners* of domestic animals consisting of cattle, horses, hogs, &c., from running at large upon the range of uninclosed lands, except *when unruly and dangerous*." His Honor further holds that the rule of the common law of England has never been in force in Ohio, "being inapplicable to the circumstances, condition and usages of the people, and also inconsistent with the legislation of the State."

For the Daily Sentinel.

The New Minister to Spain.

Messrs. Editors:

For curiosity's sake, if for nothing else, please insert the following editorial morceau of fun, taken from the columns of the Wisconsin *Staats Zeitung*, the German democratic Hunker organ, of February 19, 1855, published at Madison, by A. Kruer, late editor of the Milwaukee, Wisconsin *Banner*, and think of it, and laugh at it, and "stick a pin there."

Friend Kruer says:

"Comedy.—Senator Augustus Cæsar Dodge, of Iowa, son of our old General Dodge, has been nominated by the *Pierce Administration* as the successor of Mr. Soule. How Soule will clap his hands on receiving this news! *Augustus Cæsar Dodge*, the honest, clumsy back-woodsman, who knows even less of European diplomacy, than a Yankee of æsthetics, this dry American country politician, nominated, under existing circumstances, as United States Minister to the Court of Spain—it is ridiculous indeed! A peasant boy of natural good sense, for the first time visiting a splendid palace, is a jewel compared to Mr. Dodge, standing in the midst of the Spanish Grandezza, bowing stiffly to one of the dukes, and exclaiming, "How are you to day, old fellow?"

"This nomination, however, plainly shows, that the Pierce Administration has entirely given up the plan of the annexation of Cuba."

Good News.—James Johnson, President of the Milwaukee and Watertown Railroad Company, was in this city yesterday, on business connected with that enterprise. He informs us that there is now little or no doubt whatever, that the work on the unfinished part of the road between Oconomowoc and this place, will be resumed as soon as the frost is out of the ground, and will be vigorously prosecuted, until the whole is put in operation. If anything is needed to accomplish this object so desirable to us all the granting of the additional bonds by this city would supply the want.

Mr. Johnson also informs us that the receipts on that part of the road now in use, gives the best encouragement for its future profitableness. Last Friday, $300 were taken, and the next day $270. It is confidently anticipated, nothwithstanding February has only twenty-eight days, and heavy snow storms had to be contended with, the total receipts for this month will reach at least FIVE THOUSAND DOLLARS.

With these facts before us, there can be no doubt but we shall have railroad connection with the Lake shore, as soon as money and men can make it.—[Watertown Democrat.

The Judicial Election.—The Janesville *Free Press* opposes the re-election of Judge Crawford, and expresses itself favorable to Marshal M. Strong or J. H. Knowlton. Both of these gentlemen stand in the front rank of their profession, and are well qualified as lawyers, as men of integrity, and good habits, for the position. We understand, however, that a call numerously signed has been forwarded to Orsamus Cole of Potosi, requesting him to be a candidate, and that Mr. Knowlton is favorable to his election. We think Mr. Cole will prove generally satisfactory to those not anxious for the re election of Mr Crawford.—[Madison Journal.

COMMERCIAL.

THE MARKETS.

OFFICE OF THE DAILY SENTINEL,
Milwaukee, February 23, 1855.

Receipts by M. & M. Railroad, Feb. 21st.—5821 bus wheat, 77 do oats, 90 do corn, 195 bbls flour, 42 do pork, 16 do highwines, 497 hogs, 13 hhds sugar.

By M. W. R. R.—3922 bus wheat, 253 do barley, 256 bbls flour, 4 do potash.

Very heavy receipts yesterday, over 10,000 bushels of wheat having come in by Railroad. Market active at steady rates.

Wheat—readily taken at 1,22@1,25 for Spring and Club, 1,31@1 38 for Winter. Some choice lots of Club brought 1,27, and a few loads of White Winter 1,40.

Barley—in steady request, at 95ca$1.

Rye—firm, at 80a84, with light receipts.

Oats—quick, at 35a37½ for home trade.

Corn—nominal, 45a50.

Pork—active and tending upward. Range of market yesterday, for most lots, $4,12½a4,50, but 4,75 and in one instance 5,00 were paid for choice and extra hogs.

Another snow storm set in yesterday afternoon, with every promise of continuing thro' the night.

Cincinnati Market--Feb. 17th.

Flour and Grain—The only sale of Flour heard of today was 60 bbls from Hamilton and Dayton Railway at $9.16. Of Grain, 400 bu. Oats in bulk sold at 40c, and 400 do in sacks at 50c.

Provisions—There is considerable buoyancy of feeling in the market for Hog product, and buyers are free to operate at previous prices, but holders are not disposed to offer stocks except at advanced rates, and we understood 1000 bbls Mess Pork sold to-day for considerably over $13 but we did not learn the particulars. Of Bulk Meat, 20,000 lbs Shoulders sold deliverable at Maysville, at 4½c, and $1 25 for hhds, and 1000 do, deliverable here, at 4¾c.

New York Money Market.

New York, Feb. 17.

Large business done in State Stocks; Virginia sixes selling at 94½; North Carolina do at 96, and Ohio at 105. In R. R. Bonds the sales amounted to $65,000.

Money is abundant on call at 5a6 per cent; and first class paper is not plenty. The Evening *Post* says:

The week closes upon a further relaxation in the rates for the loan and discount of money, with the greatest ease of supply, but with still a great want of confidence. Business is remarkably contracted for the season. Discrimination in credits was scarcely ever so severe, and though there is a considerable demand for good investments in stocks and bonds none but those which are without a rumor of unsoundness attract attention. The feature of the stock market is consequently weakness of the *fancies*, and buoyancy of securities dividend paying and sound.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimate than worldly property.

While the representative of a family lives, (although, through neglect to insure his *property*, he becomes bankrupt,) he supports his family; but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comforts during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased.

Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute.

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain in their issues, *should insure*.

The farmer who has still a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

CONGRESSIONAL.
Washington, Feb'y 22

HOUSE—The House adopted the report of the Swamp Land bill and the bill passed.

Mr Middlesworth made an ineffectual effort to have the House take up the Senate bill giving additional land to the soldiers of the war of 1812, but gave notice that on Tuesday next he would move a consideration of that bill.

The bill granting lands to Alabama was laid on the table, and the House went into committee of the whole on the civil diplomatic appropriation bill.

Washington's Birth Day.
New York, Feb 22.

We have had a beautiful spring-like day for the celebration of Washington's birth day, and it has been taken advantage of by thousands of our citizens, who thronged the streets to witness the Military and civic parades. The display was not very large but a very creditable appearance was made by those who did turn out.

The public buildings, shipping, &c., displayed their flags, and salutes were fired at sunrise and noon. To-night the City Hall is to be illuminated, and a display of fireworks take place.

Additional by the Baltic.

It is said that Prince Menschikoff has received orders to attack Eupatoria and Balaklava. It is therefore probable that Gen Ostensacken, supported by Grand Dukes Michael and Nicholas, will shortly attack the Allies, whilst the weather is favorable.

Omar Pacha, as soon as the fortifications at Eupatoria were completed, would march on Sebastopol, where, in all probability, a grand battle will be fought.

A despatch from Warsaw of the 5th inst in the Prussian Gazette states that an order has been received that all the Russian forces in the vicinity of Cracow and on the Austrian frontier should retreat with all despatch into the interior.

According to some accounts Russian troops were ravaging the Dobrudscha under the eyes of the Austrians.

The French soldiers are impatient for the assault upon Sebastopol, and General Canrobert has been compelled to moderate their ardor.

The printing materials, book bindery, library and chapel of the English Missionaries in Poland, have been taken possession of by the Russian Authorities and offered for sale.

New Orleans, Feb 17.

We have Galveston dates to the 15th inst., by telegraph. The Indians had committed many depredations on the frontier, and had killed eleven and captured five whites. The settlers were greatly alarmed, and had assembled with their families for protection. Five companies of troops had been organized at Fort Chadbourne to proceed against the Southern Camanches. A general war was deemed inevitable.

TO REAL ESTATE OWNERS.

WE ARE MAKING SALES EVERY DAY OF CITY Property and Farms in every stage of improvement. We have now completed our arrangements, and have formed connections in the Eastern States which will bring to our office many Emigrants and Capitalists from that region, seeking investments in our City and State.
To those having Houses or Lots to sell or rent in town, or Farms or Wild Lands in any part of the State to dispose of, we would respectfully suggest that they call on us and leave a description of their property, and we can doubtless make favorable sales for them.
NOW IS THE TIME to give us your property. The Emigration will soon commence. We are receiving letters of inquiry in regard to Real Estate.

HOUSE—The House adopted the report of the Swamp Land bill and the bill passed.

Mr Middleworth made an ineffectual effort to have the House take up the Senate bill giving additional land to the soldiers of the war of 1812, but gave notice that on Tuesday next he would move a consideration of that bill.

The bill granting lands to Alabama was laid on the table, and the House went into committee of the whole on the civil diplomatic appropriation bill.

SENATE—Mr. Stewart presented a resolution for erection of a building in Michigan for the reception of prisoners confined by authorities of United States. Referred to Judiciary Committee.

Mr. Chase presented petition of certain citizens of New York, praying for the repeal of the Fugitive Slave Law, and moved their reference to a Select Committee. After some debate the petitions were *laid on the table*, by a vote of 29 to 23.

Washington's Birth Day.

New York, Feb 22.

We have had a beautiful spring-like day for the celebration of Washington's birth day, and it has been taken advantage of by thousands of our citizens, who thronged the streets to witness the Military and civic parades. The display was not very large but a very creditable appearance was made by those who did turn out.

The public buildings, shipping, &c., displayed their flags, and salutes were fired at sunrise and noon. To-night the City Hall is to be illuminated, and a display of fireworks take place.

Additional by the Baltic.

It is said that Prince Menschikoff has received orders to attack Eupatoria and Balaklava. It is therefore probable that Gen Ostensacken, supported by Grand Dukes Michael and Nicholas, will shortly attack the Allies, whilst the weather is favorable.

Omar Pacha, as soon as the fortifications at Eupatoria were completed, would march on Sebastopol, where, in all probability, a grand battle will be fought.

A despatch from Warsaw of the 5th inst in the Prussian Gazette states that an order has been received that all the Russian forces in the vicinity of Cracow and on the Austrian frontier should retreat with all despatch into the interior.

According to some accounts Russian troops were ravaging the Dobrudscha under the eyes of the Austrians.

The French soldiers are impatient for the assault upon Sebastopol, and General Canrobert has been compelled to moderate their ardor.

The printing materials, book bindery, library and chapel of the English Missionaries in Poland, have been taken possession of by the Russian Authorities and offered for sale.

Later from Texas.

New Orleans, Feb 17.

We have Galveston dates to the 15th inst., by telegraph. The Indians had committed many depredations on the frontier, and had killed eleven and captured five whites. The settlers were greatly alarmed, and had assembled with their families for protection. Five companies of troops had been organized at Fort Chadbourne to proceed against the Southern Camanches. A general war was deemed inevitable.

A STRANGE THING.

Falsehood in these days is not strange. Imposition and fraud are not strange. But honesty and truth, especially in speculative business are wonderful. For this reason, Dr. A. L. ADAMS' LIVER BALSAM is living the gaze of thousands upon its sure, unvarying and surprising effects in the removal of disease. It promises and fulfills. It promotes excretion in unison with nature's own efforts, and thus expels the very impurities which, being retained generates disease. This compound is considered by those who have used it the greatest medical discovery known. Its praise is declared from the North the South, and from the East to the West. It is true! It is true!

HOLLOWAY'S PILLS, for the Cure of Sick Headache, Bile, and Weak and Disordered Stomachs.—These wonderful Pills have been the means of restoring to health many persons pronounced incurable by the faculty in the Union, as well as abroad. They may be taken with perfect safety, and a certainty of effecting a cure, by persons suffering from general debility, sick headaches, diseases of the stomach, bile or liver complaints, and those who are predisposed to dropsy, cannot use a more effectual remedy than Holloway's Pills, for acting as they do upon the main spring of life, disease cannot easily resist their influence. Their effect is mild, yet speedy, and as a family medicine, they are unequalled.

A WONDERFUL DISCOVERY HAS recently been made by Dr Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr C has restored many afflicted ones to perfect health; as an evidence of which he has innumerable certificates. Speaking of the treatment a physician remarks—It is evident that inhaling—constantly breathing an agreeable healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the druggists throughout the country.—*New York Dutchman Jan 14th.*

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,

A NEW

PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by George Hews, of Boston, Mas.

The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale and delicacy of touch. The improvement in the Action renders it less liable to derangement, and so greatly facilitates execution. Numerous medals, premiums and certificates have been received from various fairs and Industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following.

From the illustrious Pianist, L. M. GOTTSCHALK, to Mr Hews, Agent at New York.

MR N J CURTISS — New York, Dec 5, 1853

Dear Sir. Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to be perfection of the scales.

Very Respectfully, L. M. GOTTSCHALK

From the distinguished Pianist, WILLIAM MASON.

MR. HEWS.—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

☞ Pianos Tuned and Repaired.

A CARD.

WE BEG TO CALL THE ATTENTION OF DEALERS in Clothing &c, about to visit New York this season, to our very large stock of

SPRING AND SUMMER CLOTHING,

As we feel assured they will find it, from its extent variety, style, and cheapness, well worthy of their consideration.

Whilst the disposition of our manufacturers this season has been to greatly reduce their stocks, we have availed ourselves of the advantages of a low market for goods and labor to manufacture a much larger stock than we have ever done, which, consequently, we will be enabled to offer at remarkably low prices.

We would respectfully invite an examination.

HORACE WATERS,

No. 333 Broadway, New York.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates.

NOTWITHSTANDING the combination of music dealers to keep up the prices of non copy right music, against the interests of native composers and their refusal to extend to Mr Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his opposition to the Great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons, and Musical Instruments of all kinds. Superior toned 6½ octave Pianos for $175, $200 and $225, interior of as good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories, among them the celebrated modern improved Horace Waters Pianos, and the first premium Æolian Pianos of T. Gilbert & Co's make (owner of the Æolian patent.) Second hand Pianos at great bargains. Prices from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons, (tuned the equal temperament,) the best make in the United States. Prices $45, $60, $75, $100, $115, $125, and $150. Smith's Double Bank Melodeons, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c. 12½ per cent discount to clergymen and churches. All orders promptly attended to. USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers Pictures, Patterns for Embroideries, Marking Linen Indelibly and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST FOR table linen in the known world, for a small quantity folded and placed in the pocket constitutes a traveling inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in ONE LESSON. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex, and, indeed a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any child can use it with perfect ease. With this Magic Paper, likewise, one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green and Red, with full and printed instructions, for ALL to use, and will last sufficiently long to obtain Five Hundred distinct Impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

PRICE—$2 a Dozen, or, Five for One Dollar. Single Packages 25 Cents. Address, post-paid

OPINIONS OF THE PRESS.

"HUBBELL'S MAGIC IMPRESSION PAPER.—We refer our readers to the advertisement in another column, setting forth the merits of this pleasing and ingenious invention. The cheapness should induce all to give it a fair trial."—Philadelphia Merchant.

"It is unsurpassed for neatness and utility, and should meet with the sale it richly deserves."—Tribune.

"Just what the public have long desired, and recommends itself to every individual of taste and refinement."—Journal & Courier. feb6 3m

PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT.

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflamations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the fartherest. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

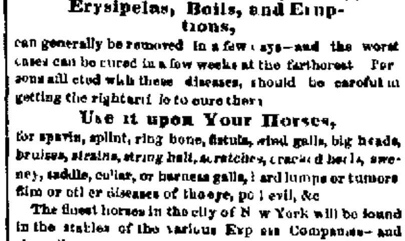
THE AMERICAN'S FRIEND!



HOLLOWAY'S PILLS.

To the Citizens of the United States.—

I must humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York.

THOMAS HOLLOWAY,
38, Corner of Ann and Nassau Streets, New York.

THE BLOOD, LIVER AND BILIOUS COMPLAINTS.

The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex, perhaps the most handsome in the World, at a certain period lose their teeth and good looks while yet in the hey-day of life. These evils may be effectually remedied by continually keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, that health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood, in accordance with the directions which accompany each Box.

CURE OF WEAKNESS & DEBILITY OF TEN YEARS STANDING.

Captain John Johnson, of Astor House, New York, suffered for ten years from a derangement of the Liver and Stomach and was so reduced in strength that he never expected to go to sea any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months, and he now enjoys the soundest health.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Dropsy	Liver Complaints	Secondary Symptoms
Asthma	Dysentery	Lumbago	Tic Douloureux
Bilious Complaints	Erysipelas	Piles	Tumours
Blotches on the skin	Female Irregularities	Rheumatism	Ulcers
Bowel Complaints	Fevers of all kinds	Retention of Urine	Venereal Affections
Colics	Fits	Scrofula, or King's Evil	Worms of all kinds
Constipation of the Bowels	Gout	Sore Throats	Weakness from whatever cause, &c.
Consumption	Head ache	Stone and Gravel	
Debility	Indigestion		
	Inflammation		
	Jaundice		

*** SOLD AT THE ESTABLISHMENT OF PROFESSOR HOLLOWAY, 38, Corner of Ann and Nassau Streets, New York, also by all respectable Druggists and Dealers in Medicines throughout the United States, in Boxes, at 37½ cents, 87 cents, and $1,50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

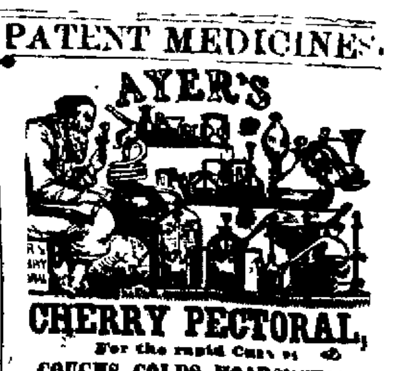
PATENT MEDICINES.



CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicines or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R., S. C., Aug 4, '53

DR J C AYER. Dear Sir,—My little son, four years old has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by ten o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect,
J. D. POWELL, Supt. Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852

DR J C AYER.—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the less they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me

Yours with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1853

DR J C AYER—Sir. This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law

Wilkesbarre, Pa., Sept 18, 1850

DR J C AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec 20th, 1853

For about eight years I have been severely afflicted with the Asthma, for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffering for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

CONSUMPTION CURED.

New York, Dec 27th, 1853

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick, when I reached this city, my health was very poor, had a very bad cough, raised a great deal of matter, which was frequently mixed with blood, had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life.—Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it.

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPOR!

DR. TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the Lung Institution of Edinburgh, and Hotel des Invalides of Paris, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and successful experiments in England and Scotland, as well as other parts of Europe, with Consumption in all its forms, enable him to warrant, not only relief, but a complete cure to all those suffering with this great national disease.

Dr TRIST deems it unprofessional to advertise, but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first success, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.

"Take up thy bed and walk."

Dr TRIST would say to those interested that he has had manufactured, for the use of his patrons, his "Patent Inhaling Tubes," through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use, and the fact that they may be used by the most feeble invalid without any unpleasant symptoms.

To those residing out of the city Dr Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of Consumption, Bronchitis, Asthma, and all other affections of the Throat, Lungs and Air Passages. In case of failure, the money will be returned.

HIGHLY IMPORTANT ANNOUNCEMENT

To the Afflicted Everywhere,

DR. A. L. ADAMS' LIVER BALSAM COMES GREETING!

DR. A. L. ADAMS' NEW CURE FOR DISEASE is awakening the inquiry in the minds of all who read it. How is it that Americans have been so long and so lavishly immured in darkness and ignorance on the subject of disease.

DR. A. L. ADAMS' LIVER BALSAM.

The great Panacea of Disease is offered to the mind of the States and Territories for the entire cure of Liver Complaints in all stages, Bilious Fever, Ague and Fever, Chronic Lung Fever, Dropsical Affections, Coughs, Consumption, Asthma, Jaundice, Bowel Complaints, Diarrhoea, Dysentery, Rheumatism, Piles, Scrofula, Salt Rheum, Dyspepsia, General Debility, Nervousness, Costiveness, Indigestion, Female Complaints, &c.

Dr. A. L. Adams' Liver Balsam now sustains the highest reputation of any remedy before the public and has proved to the most skeptical, beyond a shadow of doubt that it is the only reliable medicine ever discovered (being purely vegetable) for the permanent cure of the above disease. The most skeptical have become its most sanguine votaries, and pronounce the Liver Balsam to be the only reliable harbinger of health in the afflicted everywhere.

Testimonials come up from every track it has made, swollen with expressions of gratitude for the relief received by its use. And, in submitting this, the Liver Balsam is recommended to those suffering under the iron grasp of the monster disease, and at once procure one bottle of Dr. A. L. Adams' Liver Balsam.

The reader's attention is called to the perusal of the Medical Circular, which can be obtained of every agent throughout the United States, giving a clear epitome of the causes and cure of disease, also, of certificates of those who have tested its unparalleled ascendancy over the unnatural ills which we are all subject.

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,

A NEW

PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by Gilbert Hews, of Boston, Mass.

The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:

From the Illustrious Pianist, L. M. GOTTSCHALK, to Mr Hews, Agent at New York.

New York, Dec 5, 1843

Mr N J CURTISS —

Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.

Very Respectfully, L. M. GOTTSCHALK

From the distinguished Pianist, WILLIAM MASON.

Mr HEWS—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

Pianos Tuned and Repaired.

FROM Vanscher & Schell's General Advertising House, Appleton's Building, 346 and 348 Broadway.

A CARD.

WE BEG TO CALL THE ATTENTION OF DEALERS in Clothing, &c., about to visit New York this season, to our very large stock of

SPRING AND SUMMER CLOTHING,

As we feel assured they will find it, from its extent, variety, style, and cheapness, well worthy of their consideration.

Whilst the disposition of our manufactures this season has been to greatly reduce their stocks, we have availed ourselves of the advantages of a low market for goods and labor to manufacture a much larger stock than we have ever done, which, consequently, we will be enabled to offer at remarkably low prices.

We would respectfully invite an examination.

HORACE WATERS,

No. 333 Broadway, New York.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates.

NOTWITHSTANDING the combination of music dealers to keep up the prices of non copy right music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his opposition to the Great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons, and Musical Instruments of all kinds. Superior toned 6¼ octavo Pianos for $175, $200 and $225, interior of as good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories, among them the celebrated modern improved Horace Waters Pianos, and the first premium Æolian Pianos of T. Gilbert & Co's make (owner of the Æolian patent.) Second hand Pianos at great bargains. Prices from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons, (tuned the equal temperament,) the best make in the United States. Prices $45, $60, $75, $100, $115, $125, and $150. Smith's Double Bank Melodeons, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c. 12½ per cent discount to clergymen and churches. All orders promptly attended to. Music sent to all parts of the country, post paid, at the reduced rates. General and select catalogues and schedule of prices of Pianos forwarded to any address free of charge. feb14 1moV&S

USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroideries, Marking Linen indelibly and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORTABLE Inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a traveling Inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in one lesson. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex, and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any CHILD can use it with perfect ease. With this Magic Paper, likewise, one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green and Red, with full and printed instructions, for ALL to use, and will last sufficiently long to obtain Five Hundred distinct impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

PRICE—$2 a Dozen, or Five for One Dollar. Single Packages 25 Cents. Address, post-paid

PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed Limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflamations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthermost. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors film or other diseases of the eye, poll evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small,
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

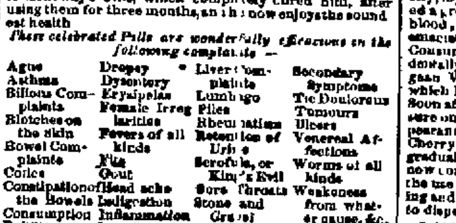
THE AMERICAN'S FRIEND!



HOLLOWAY'S PILLS.

To the Citizens of the United States —

I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York. THOMAS HOLLOWAY.

38, Corner of Ann and Nassau Streets, New York.

THE BLOOD, LIVER AND BILIOUS COMPLAINTS.

The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex, perhaps the most handsome in the World at a certain period lose their teeth and good looks while yet in the heyday of life. These evils may be effectually remedied by continually keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, that health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood, in accordance with the directions which accompany each Box.

CURE OF WEAKNESS & DEBILITY OF TEN YEARS STANDING.

Captain John Johnson, of Astor House New York, suffered for ten years from a derangement of the Liver and Stomach and was so reduced in strength that he never expected to go to sea any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months, and he now enjoys the sound est health.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Dropsy	Liver Complaints	Secondary Symptoms
Asthma	Dysentery	Lumbago	Tic Douloureux
Billious Complaints	Erysipelas	Piles	Tumours
Blotches on the skin	Female Irregularities	Rheumatism	Ulcers
Bowel Complaints	Fevers of all kinds	Retention of Urine	Venereal Affections
Colics	Fits	Scrofula, or King's Evil	Worms of all kinds
Constipation of the Bowels	Gout	Sore Throats	Weakness from whatever cause, &c.
Consumption	Head ache	Stone and Gravel	
Debility	Indigestion		
	Inflammation		
	Jaundice

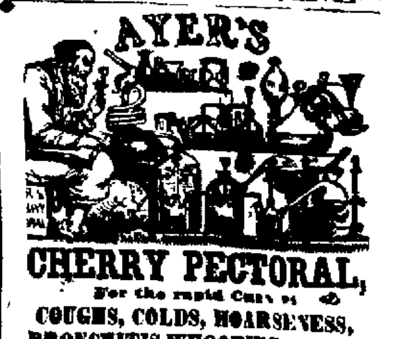
PATENT MEDICINES.



AYER'S

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R., S. C., Aug 4, '53

Dr. J. C. AYER. Dear Sir:—My little son, four years old has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful, every three hours, commencing in the morning, and by 10 o'clock at night, I found him decidedly better. After three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect, J. D. POWELL, Supt. of Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852

Dr. J. C. AYER—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the less they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me

Yours with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1853

DR. J. C. AYER—Sir: This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my conviction when I tell you it is a priceless remedy.

Yours very respectfully, D. A. McCLURE, Attorney at Law.

Wilkesbarre, Pa., Sept 12, 1850

DR. J. C. AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend, CHAS. STURDEVANT, M. D.

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. (See certificates in hands of Agents.)

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec 20th, 1853

For about eight years I have been so severely afflicted with the Asthma, for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffering for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is—TRY IT.

CONSUMPTION CURED.

NEW YORK, Dec 27th, 1853

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick, when I reached this city, my health was very poor, had a very bad cough, raised a great deal of matter, which was frequently mixed with blood, had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life.—Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD

MEDICATED INHALATION!

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPOR!

DR. TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the Lung Institution of Edinburgh, and Hotel des Invalides of Paris, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and successful experiments in England and Scotland, as well as other parts of Europe, with Consumption in all its forms, enable him to warrant, not only relief, but a complete cure to all those suffering with this great national disease.

Dr. TRIST deems it unprofessional to advertise, but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first introduction, and would caution all against using these useless and dangerous compounds advertised by incompetent persons.

"Take up thy bed and walk."

Dr TRIST would say to those interested that he has had manufactured, for the use of his patrons, his "Patent Inhaling Tubes," through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use, and the fact that they may be used by the most feeble invalid without any unpleasant symptoms.

To those residing out of the city Dr. Trist will forward one of the Inhaling Tubes together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of Consumption, Bronchitis, Asthma, and all other affections of the Throat, Lungs and Air Passages. In case of failure, the money will be returned.

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,

A NEW

PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by George Hews, of Boston, Mass

The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, Diplomas and certificates have been received from various fair and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession residents at Boston and elsewhere, among which are the following:

From the illustrious Pianist, L. M. Gottschalk, to Mr Hews, Agent at New York.

New York, Dec 5, 1853

Mr N J CURTISS—

Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.

Very Respectfully, L M GOTTSCHALK

From the distinguished Pianist, William Mason.

Mr HEWS—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

☞ Pianos Tuned and Repaired.

As we feel assured they will find it, from its extent, variety, style, and cheapness, well worthy of their consideration.

Whilst the dispatch of our manufacturers this season has been to greatly reduce their stocks, we have availed ourselves of the advantages of a low market for goods and labor to manufacture a much larger stock than we have ever done, which, consequently, we will be enabled to offer at remarkably low prices.

We would respectfully invite an examination.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates

NOTWITHSTANDING the combination of music dealers to keep up the prices of non copy right music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his opposition to the Great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons, and Musical Instruments of all kinds. Superior toned 6¾ octave Pianos for $175, $200 and $225, interior of as good quality, and instruments as strong and as durable as those which cost $500. Gilbert & Co's make (owner of the Æolian patent). Second hand Pianos at great bargains. Prices from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons (tuned the equal temperament) the best make in the United States. Prices $45, $60, $75, $100, $115, $125, and $150. Smith's Double Bank Melodeons, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c. 12½ per cent discount to clergymen and churches. All orders promptly attended to. USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroidery, Marking Linen Indelibly and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORTABLE Inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a traveling Inkstand, which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is indeed, the whole art of Drawing and Painting—taught in ONE LESSON. Any leaf, plant or flower can be transferred to the pages of an album, with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex, and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any CHILD can use it with perfect ease. With this Magic Paper likewise one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, for ALL to use, and will last sufficiently long to obtain Five Hundred distinct Impressions.

It is put up in beautifully enamelled colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

PRICE—$2 a Dozen, or Five for One Dollar. Single Packages 25 Cents. Address, post paid,

PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World, eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,

It is used by Mechanics and Laboring men,

It is used in families and factories,

It is used expressly by all Express Companies,

It is used by Farmers and Livery stable keepers,

It is used by everybody, and all speak in its praise,

Where it is used, pain cannot exist,

The benumbed limbs are made elastic,

The deep ulcers and frightful sores are healed,

The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

Is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthermost. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper

Who pretends to keep medicine at all,

But what keeps a constant supply of the

Mexican Mustang Liniment.

The small size retail for 25 cents per bottle,

The medium sized retail for 50 cents per bottle,

The large sized retail for one dollar per bottle,

The medium hold three times as much as the small

The large holds nearly three times as much as the medium,

Therefore the largest bottles are the cheapest.

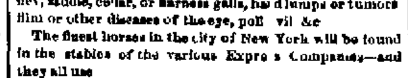
THE AMERICAN'S FRIEND!



HOLLOWAY'S PILLS.

To the Citizens of the United States—

I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York. THOMAS HOLLOWAY,

38, Corner of Ann and Nassau Streets, New York

THE BLOOD, LIVER AND BILIOUS COMPLAINTS

The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex, perhaps, the most handsome in the World at a certain period, lose their teeth and good looks while yet in the heyday of life. These evils may be effectually remedied by continually keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, that health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood in accordance with the directions which accompany each Box.

CURE OF WEAKNESS & DEBILITY OF TEN YEARS STANDING.

Captain John Johnson, of Astor House, New York, suffered for ten years from a derangement of the Liver and Stomach, and was so reduced in strength that he never expected to go to sea any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months, and he now enjoys the sound est health.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Dropsy	Liver Complaints	Secondary Symptoms
Asthma	Dysentery	Lumbago	Tic Douloureux
Bilious Complaints	Erysipelas	Piles	Tumours
Blotches on the Skin	Female Irregularities	Rheumatism	Ulcers
Bowel Complaints	Fevers of all kinds	Retention of Urine	Venereal Affections
Colics	Fits	Scrofula or King's Evil	Worms of all kinds
Constipation of the Bowels	Gout	Sore Throats	Weakness from what ever cause, &c
Consumption	Head ache	Stone and Gravel	
Debility	Indigestion		
	Inflammation		
	Jaundice		

*** SOLD AT THE ESTABLISHMENT OF PROFESSOR HOLLOWAY, 38, Corner of Ann and Nassau streets, New York, also by all respectable Druggists and Dealers in Medicines throughout the United States, in Boxes, at 37½ cents, 87 cents, and $1,50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

☞ There is a considerable saving by taking the larger sizes.

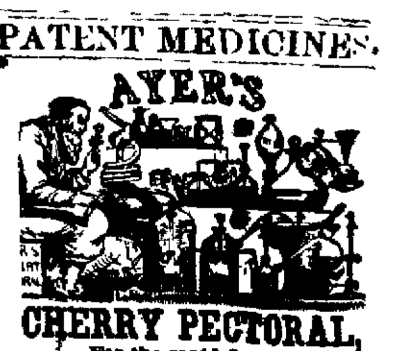
PATENT MEDICINES.



CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R R, S C, Aug 4, '53

DR J C AYER: Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever. His throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL in California, in the winter of 1850 for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect,

J D POWELL, Supt. Trans. L R R

Rocky Hill, Somerset Co, N J, July 21, 1852

DR J C AYER:—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the less they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply and believe me

Yours, with respect, JOHN C WHITLOCK.

P S—Also at any number of certificates can be sent you if you wish it.

Windsor, C W, June 26, 1852

DR J C AYER—Sir: This may certify, that I have used your CHERRY PECTORAL for upwards of a year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,

D A McCLURE, Attorney at Law

Wilkesbarre, Pa, Sept 28 1850

DR J C AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N Y, Dec 20th, 1853

For about eight years I have been severely afflicted with the Asthma, for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but I have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

CONSUMPTION CURED.

NEW YORK, Dec 27th, 1853

I came to New York in the ship Telegraph, my native place is St John, New Brunswick, when I reached this city, my health was very poor, had a very bad cough, raised a great deal of matter, which was frequently mixed with blood, had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life.—Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD

MEDICATED INHALATION!

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPOR!

DR. TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the Lung Institution of Edinburgh, and Hotel des Invalides of Paris, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and successful experiments in England and Scotland, as well as other parts of Europe, with Consumption in all its forms, enable him to warrant, not only relief, but a complete cure to all those suffering with this great national disease.

Dr TRIST deems it unprofessional to advertise, but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first merit, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.

"Take up thy bed and walk."

Dr TRIST would say to those interested that he has had manufactured for the use of his patients, his "Patent Inhaling Tubes," through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use, and the fact that they may be used by the most feeble invalid without any unpleasant symptoms.

To those residing out of the city, Dr Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with simple directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of Consumption, Bronchitis, Asthma, and all other affections of the Throat, Lungs and Air Passages. In case of failure, the money will be returned.
